Priority for urban development schemes

Special thrust to integrated development of Bengaluru and small and medium towns

Rs. 3,885 crore to local bodies for three years under Amrutha Nagarothana Scheme

To address the infrastructure needs in small and medium towns and focus upon their integrated development, the government has felt that it is necessary to expand and enhance municipal services in these towns.

A sum of Rs. 3,885 crore has been allocated to Urban Local Bodies (ULBs), upgraded local bodies and newly added local bodies to take up infrastructure related works under the Chief Minister's Amrutha Nagarothana scheme.

Details of proposed action plan

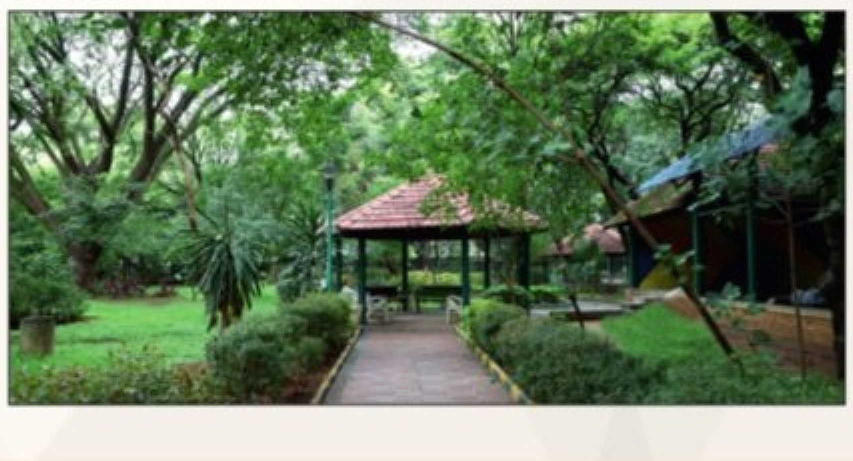
Rs. 6,000 crore to Bruhat Bengaluru Mahanagara Palike for infrastructure works in Bengaluru

The Hon'ble CM had assured to provide Rs. 6,000 crore to take up important infrastructure works in Bengaluru under Amrutha Nagarothana Scheme on the occasion of the 75th year of India's independence. Now, the allocation for the same has been approved by the Cabinet.

- The allocated funds will be spent on improvement of roads, lakes, stormwater drains, parks, hospitals, classrooms, solid waste management, street lights, the development of slums, etc.
- BBMP will implement the projects in phases over five years.



As enshrined in our Constitution, - to safeguard public property and to abjure violence is the fundamental duty of every citizen of India.

FOREIGN OFFICE HARD TALK ON CHINA'S ENCROACHMENT

MEA said the bridge being built across Pangong lake in eastern Ladakh is in an area illegally occupied by China 60 years ago. India has never accepted such action and the government is monitoring this activity closely, External Affairs Ministry spokesperson Arindam Bagchi said on Thursday, adding that India has taken steps to ensure its security interests are protected. **P12**

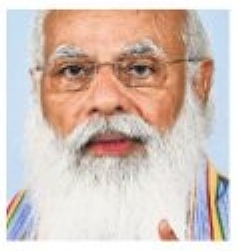
Probe panels set up to look into PM security lapse

HARPREET BAJWA & SANA SHAKIL @ Chandigarh/New Delhi

AS the Centre on Thursday warned of "big and tough decisions" over the security breach during Prime Minister Narendra Modi's visit to Punjab on Wednesday, it has now emerged that the state police knew of the possibility of farmers staging dharnas and the movement of protesters to Ferozepur district to disrupt the PM's rally.



After a Union Cabinet meeting, I&B minister Anurag Thakur said, "the home ministry has also spoken about taking action. After gathering information, whatever steps…big and tough decisions will be taken by it." Hours later, the home ministry formed a three-member panel to probe the lapse. On Wednesday, Modi's cavalcade could not reach Ferozepur as protesting farmers had blocked the highway.

The Punjab government, too, set up a two-member probe panel while the Supreme Court agreed to hear a plea seeking an investigation. The committee comprises Justice Mehtab Singh Gill (Retd) and principal secretary, home, Anurag Verma. It has been asked to submit its report in three days. The panel quickly sent a questionnaire to all police officials tasked with the security cover.

Justice Gill described the matter as "very serious." "Prima facie there is a lapse somewhere, which we will look into before fixing responsibility."

Internal communication within the state police revealed that field officers had been instructed to make suitable traffic diversions. "There are a large number of dharnas going on in most of the districts. Farmers are also likely to hold dharnas on January 5. These dharnas may result in road blockade at many places, please make necessary traffic diversion plans in advance," said a letter written by Additional DGP (Law and Order) Naresh Kumar Arora on January 2 to all SSPs and police commissioners.

Arora said about one lakh people could attend Modi's rally and asked all officers to make necessary route arrangements. He wrote another letter on January 4 to all IGPs and DIGs (Range) asking them to specifically keep a watch on the movement of farmers. **P11**

Vax momentum lags in poll-bound states

NAMITA BAJPAI, HARPREET BAJWA, VINEET UPADHYAY, SUDHIR SURYAWANSHI & PRASANTA MAZUMDAR

CONSIDERING the risk of holding elections in the midst of a fresh spurt in Covid cases, Union health secretary Rajesh Bhushan had on December 27, 2021 held a high-level meeting with senior officials of the five poll-bound states and asked them to ramp up vaccination drive on an exponential scale.

However, data from the five states — Uttar Pradesh, Uttarakhand, Goa, Manipur, and Punjab — don't suggest officials have stepped on the pedal to scale up the process exponentially. In UP, 15.04 lakh people received the jab on December 27, which declined to 14.05 lakh on December 28 and 12.56 lakh the next day. In Goa, the vaccinations on December 27 were 4,337 which dipped to 3,319 the next day and to 2,949 on December 30. In Uttarakhand, the number of vaccinations was 53,500 on December 28 which saw a decline over the next few days and stood at 45,200 on December 31.

In most of these states, the numbers dropped between December 31 and January 2. The figures picked up from January 3 when jabs for the 15-18 age group started. In Uttarakhand, the vaccination figure for January 4 in the state health department's daily bulletin had a discrepancy as the number of those vaccinated in the 15-18 age-group was higher than the total vaccination figure. *TNIE* tried seeking clarification for the discrepancy but state health department officials did not respond to the queries.

With the Election Commission ruling out postponing the polls, the Centre and the EC have repeatedly asked the states authorities to scale up the inoculation drive. **P11**

Eyeing BBMP polls, govt gifts B'luru ₹6,000 crore

EXPRESS NEWS SERVICE @ Bengaluru

KEEPING BBMP polls in mind, the state cabinet on Thursday approved grants and projects worth crores of rupees for Bengaluru. Granting the administrative approval, the cabinet stated that over the next three years, the city will get Rs 6,000 crore for development works and basic amenities. The allocations will be made under the Amruth Nagarothana scheme, which marks 75 years of Indian Independence.

As part of the plan, a 10-lane flyover was proposed from Hebbal to the Kempegowda International Airport to manage heavy traffic on the stretch. BDA, BBMP, BMTC, Bescom and BWSSB, along with K-RIDE, were asked to prepare the estimation and plan. The cabinet also approved Rs 93 crore to treat Bengaluru's sewage and use the treated water to fill lakes in Bengaluru East and Hoskote.

On the BBMP's Self-Assessment Scheme (SAS) for property tax, Law and Parliamentary Affairs Minister JC Madhuswamy said notices had been sent to over 78,000 property owners for anomalies in their tax payment. They had been told to pay 2% of the property tax as penalty for every month of delay and other penalties. The error occurred because of a technical issue in fixing zonal classification. "The cabinet approved a proposal to rectify the error and to waive off the penalties against property owners. If the additional amount is already paid, it will be adjusted towards next year's tax," he said. **P4**

Businesses stare at loss during weekend curfew

Many sectors which were witnessing recovery of late, will take hit

DONNA EVA @ Bengaluru

Hotels willfunction at 50% occupancy due to the surge in Covid-19 JASHISHKRISHNA HP

MANY business sectors are unsure about their prospects after the fresh weekend curfew, specially after having incurred losses due to the New Year's eve restrictions. Restrictions have been imposed on restaurants, cinemas, shopping complexes as well as other sectors amidst a surge of cases in Bengaluru.

K V Chandrashekhar, president of the Karnataka Film Distributors' Association said, "Producers foresee revenue losses and have refused to release movies." He said that most cinemas will shut down despite being allowed to operate at 50% capacity, since they have nothing to screen. "At the most, it's two to three days of revenue a week, as we aren't allowed to operate on weekends and footfall is already reduced due to the pandemic," he added.

"Business is down by almost 75% and it's worse than last year," said Madhukar M Shetty, secretary of the Karnataka State Hotels Association. "We have to issue huge refunds as well as cancel celebrations and events we had paid advances for," he said.In addition, businesses are also worried about how the weekend curfew will affect workers.

Shiva Kumar, secretary of the Peenya Industries Association, said that industries were planning on working in shifts as they had been directed to work at 50% capacity.

Schools ask CM to consider resuming Vidyagama scheme

PEARL MARIA D'SOUZA
@ Bengaluru

ANTICIPATING stoppage of offline classes across Karnataka, rural private schools in the state have sought alternatives to online classes, including Vidyagama, from CM Basavaraj Bommai.

Instead of hampering the future of children in the state, the schools recommended a slew of measures that could be adopted to ensure the continuation of education.

One of the alternatives is to segment each class into three, and bring a batch each twice a week to school. In the event of any student turning symptomatic for Covid-19, that particular batch could be asked to home-quarantine.

"In the past two years, schools have been blamed for the spread of Covid. Didn't people, who gathered at liquor shops, tours, hotels, and trains -- all revenue providers for the government -- come in contact with their children?" questioned Lokesh Talikatte, state unit president of Recognised Unaided Private Schools Association (RUPSA), Karnataka.Schools asked for a more local approach in dealing with the new wave of the pandemic. Other ideas they gave the state, involved providing holidays to schools where the Covid spread was on the rise, and also coming up with micro-containment zones.Students residing in Bengaluru's slums are faced with malnutrition. They should be given midday meals at the schools, they felt.

By such alternative measures, they believe children would be spared from being left out of education, and requested that these issues by discussed by the cabinet.

THE government had earlier okayed the procurement of 30 electric AC buses for Bengaluru. "But with rising Covid cases, we decided to go for non-AC buses. We will buy 100 non-AC electric buses with an allocation of Rs 100 crore," Law and Parliamentary Affairs Minister JC Madhuswamy said. Asked if the government is announcing these schemes keeping the BBMP polls in mind, Madhuswamy said it has nothing to do with the upcoming polls. "We are always ready to face polls," he added.

Other major cabinet approvals included a rope way and a five star hotel near Jog Falls to turn it into an international tourist hub with an allocation of Rs 116 crore, he said. The projects will be taken up under public-private partnership. The Cabinet okayed a proposal to take a loan from the World Bank to complete the Jal Jeevan mission, which aims at providing tapped water to all residents across Karnataka by 2024. The State government will fund 45% of the project, the Centre 45% and the local bodies the remaining 10%. The state's share of Rs 3,890 crore will be taken as loan from the World Bank.

Lift weekend travel ban, tourism group urges govt

EXPRESS NEWS SERVICE
@ Bengaluru

MEMBERS of the Karnataka Tourism Society have submitted a memorandum to Chief Minister Basavaraj Bommai demanding that the weekend curfew imposed owing to the rapid spread of Covid-19 be lifted and travel restrictions be eased.

In a memorandum, they explained to the CM the impact of previous lockdowns on the travel, tourism and hospitality sectors.

Many hoteliers had to permanently shut shop during the earlier lockdowns. Also, small-time taxi operators lost their livelihood and are struggling to stay afloat.

Tour guides have been pushed to oblivion on account of lack of business and many employees serving in the industry have been thrown out of jobs, the memorandum read.

"It is estimated that around 5 lakh people have lost their jobs and the loss is estimated to be around Rs 75,000 crore. We are recovering since the last two to three months and are trying to survive and revive.

Many tourists had planned their travel this month, especially during weekends to places like Kodagu, Chikkamagaluru, Mysuru and Bandipur and Nagarahole. Many had also booked to destinations in neighbouring states like Ooty, Yercaud and Yelagiri. Imposing weekend lockdown will be a big blow to the sector," said society president K Shyam Raju.

No liquor sale in state over the weekend

All retail liquor stores in the state will remain closed during the Covid-19 weekend curfew beginning from 8pm on Friday till 5 am on Monday, according to a government order issued on Thursday. The weekend curfew begins on January 7 and will be in place till January 19 for now. The retail liquor stores (CL2 licencees) had approached the CM and Excise Minister requesting them to permit sale of takeaway liquor, stating that their businesses have already suffered huge losses since the onset of the pandemic and aclosure would hinder their prospects.

Triaging and home visits have started, says BBMP chief commissioner

To ensure early detection and timely treatment, triaging is being done at the doorsteps of all positive persons and assessment of spaces for home isolation has also begun, BBMP Chief Commissioner Gaurav Gupta said on Thursday. He said, homes of those tested positive will not be sealed, but a close watch will be kept. Individuals can order for food and other services through various mobile apps.

METRO COLLECTS ₹1 CRORE IN FINES FOR MASK VIOLATIONS

S. LALITHA @ Bengaluru

THE Bangalore Metro Rail Corporation Ltd (BMRCL) on Thursday morning recorded a total fine collection of Rs 1 crore from commuters for not wearing masks properly within its premises and on trains. A total of 10,113 cases had been booked up to January 5 2022.

A fine of Rs 250 is levied for every violation. Checks have been intensified in the trains from New Year due to the surge in Covid-19 cases in the City.

The overall sum represents fine collected from March 24, 2021 until the morning of January 6, 2022. This excludes the months of May and June in 2021 when no one was booked. A top Metro official said, "We reached the Rs 1 crore penalty figure at 11.30 pm on Thursday." Until Wednesday (January 5) night, BMRCL had collected Rs 99,90,320.

According to data released, the maximum violations were witnessed on Reach-2 from City railway station to Mysuru Road.

TBM Avni achieves breakthrough at MG Road

After successfully tiding over enormous challenges, Bengaluru Metro's Tunnel Boring Machine 'Avni' achieved breakthrough at MG Road Metro station at 3.45 pm on Thursday. It has completed tunnelling 1086 metres from Shivaji Nagar Metro station to MG Road since it began operations on September 5.

BMRCL makes Hebbal plan public, invites views

The Bengaluru Metro Rail Corporation Ltd has made public, its proposed plan on road and rail infrastructure at Hebbal Flyover prepared by consultancy firm, RITES Limited. It has called upon the public to send their feedback within 15 days to the Public Relations Office via mail to chavan@bmrc.co.in. Key aspects of the plan include 3 additional lines from City to Airport, to the west of existing flyover, thereby making it 5-lane movement in place of two lanes presently. On the east side a 3 lane flyover will be constructed in addition to the existing 2 lane making it a 5 lane movement.

PETER VIDAL

07th January : According to the most ancient omens, when Venus rises as the Morning Star, it's known as the Herald of Day. This is a sign that well-behaved people will be super-charming, and rude people will be much more polite than usual. Sounds good to me – and I always like to think of it this way!

ARIES
(Mar 21 - Apr. 20)
Your social relationships are obviously very important to you, but the time may have come to put to flight anyone who has taken your affections and little kindnesses too much for granted. Your head and your heart agree for once, so you should be taking the right decisions.

TAURUS
(Apr. 21 - May 21)
There are certainly some tempestuous conditions in the air, but by no means will current developments be difficult. Much depends on your attitude; in other words, on your willingness to welcome change and accept criticism. It's not easy, but you can do it.

GEMINI
(May 22 - June 21)
Now that the Moon is so positive, you may demand your fair share of attention. Domestic questions are likely to be more important than public ambitions, and you will have to settle private matters before turning your gaze to the demands of the big wide world.

CANCER
(June 22 - July 23)
Even those with whom you have had fairly straightforward connections in the past, now seem to be making quite outrageous demands. Don't worry - it's only those lively planets Mars and Uranus stirring up fresh ideas and offering renewed stimulation.

LEO
(July 24 - Aug. 23)
You have been weighed down with responsibilities, perhaps forced to adjust to a different lifestyle. Friends and partners will be a valuable source of support, so don't be afraid to ask for assistance - and don't be slow to come up with the necessary cash, either.

VIRGO
(Aug. 24 - Sept. 23)
No two Virgos are exactly alike, but if you are loosely typical of your birth sign you may now have to extricate yourself from one particular burdensome association. One last bound and you should be free! While you're at it, keep an eye on potential cash complications.

LIBRA
(Sept. 24 - Oct. 23)
Only by distancing yourself from people who have tried to dominate you, will you find the perfect solution to current personal differences. Ambitious Librans must wait another month or so for plans to come to fruition, but patience, as you know, is a virtue.

SCORPIO
(Oct. 24 - Nov. 22)
Light may be shining on hidden areas of your life right now. Venus and Mars, a bright celestial duo if ever there was one, are making very helpful headway into your domestic and family affairs, revealing that the way forward lies through love and friendship.

SAGITTARIUS
(Nov. 23 - Dec. 22)
It's a tough week astrologically speaking, but, considering quite a few other people seem to be having a hard time, you aren't doing too badly. You can probably afford to give yourself a pat on the back for having survived this far! At least the truth seems to be coming out.

CAPRICORN
(Dec. 23 - Jan. 20)
Life is not all a bed of roses and it must be perfectly obvious by now that you have to do certain things which are not to your liking. But, then, don't we all? There is no point in believing that you have been singled out for harsh treatment. It's just that it feels that way!

AQUARIUS
(Jan. 21 - Feb. 19)
Matrimonial and partnership affairs are going through an interesting phase. The correct strategy may be that of the carrot and the stick. That is, partners need to be persuaded and enticed as well as bullied or bamboozled. You might also have to fork out some extra cash!

PISCES
(Feb. 20 - Mar 20)
As from today the planets will focus on your domestic situation. This is a time which favours seclusion and privacy and you may be resentful at attempts to force you out of your nest. Still, you should appreciate the fact that a partner seems to have more energy and enthusiasm these days.

Mild, asymptomatic int'l travellers to be isolated in CCCs

Over 90% of international arrivals who test Covid positive at the airport, are asymptomatic or mildly symptomatic. The patients have recovered within one to three days. In light of this, and also the rise in positive cases, the need to utilise hospital beds for moderate and severe cases and to cut down on hospitalisation cost borne by individuals, the Health Department issued a fresh circular. Those who are asymptomatic or mildly symptomatic will be isolated at Government Covid-19 Care Centres (CCCs) free of cost. Budget hotels, 3- and 5- star hotels will function as private CCCs. Stay at CCC or hospital will be for seven days, if in the last three days, the person is free of fever, respiratory symptoms and oxygen saturation is 94% and above. In case of asymptomatics, the duration of seven days' stay shall be counted from the day of testing. This will be followed by seven days of home quarantine. **ENS**

Spike in cases among Under-19 in last two weeks

RANJANI MADHAVAN @ Bengaluru

THERE has been a spike in paediatric Covid-19 cases in the last two weeks, a TNIE analysis of the week-on-week Covid war room data between November 1 and January 2, among the 0-9 and 10-19 years age groups, has revealed.

Between November 1 and December 19, there were weeks which saw a negative growth rate in paediatric and adolescent cases. However, later on, cases of infection in this group increased from -31.23 per cent (December 6 to December 19) to 40.03 percent (December 13 to December 26). It further rose to 69.92 per cent between December 20 and January 2.

The trend is similar among adults, and in fact, higher, as Omicron is spreading fast, said Dr Yogananda Reddy, consultant paediatrician at Prithvi Children's Hospital, Ballari, and member of state high-level expert committee on the third wave.

"Children who were spared in the earlier two waves may get infected this time. Government school clusters are very few and they are the safest zone. This is because they are located in vast open spaces on the outskirts and in rural areas, with smaller class strength. The spread to children is most likely from the household contacts as the adults go outside for work," Dr Reddy said.

Medics testing +ve a big worry

CHETANA BELAGERE
@ Bengaluru

With the surge in Covid-19 cases in Bengaluru, several doctors and healthcare workers in the city are getting infected with the Novel Coronavirus. In the last two days, at least seven resident doctors and more than 10 health care workers have tested positive for Covid-19 in Bangalore Medical College and Research Institute (BMCRI) hospitals alone.

Several private hospitals and government medical colleges, including NIMHANS, are also seeing their health care workers getting infected. "While most of them are asymptomatic or have mild symptoms, we fear that if the number of health care workers falling sick increases, then it may become an issue in managing patients," a doctor at a private hospital said.

A large number of the medics who are getting infected are junior doctors because they are the ones who interact with patients the most. Medical experts opine that with the uptick in cases expected to continue for at least the next four to six weeks, hospitals will have to take measures to protect their staff and backup teams will have to be readied to ensure that the health system does not collapse when cases peak.

According to BBMP Commissioner Gaurav Gupta, as of now, city hospitals are seeing 50 to 60 admissions each day. However, doctors and BBMP officials have requested people not to panic and rush to hospitals the moment they test positive.

Dr S N Aravinda, consultant (internal medicine), Aster RV Hospital, said, "People must not panic. The symptoms have so far been observed to be mild. In case anyone develops any symptoms, they should consult a doctor online and follow the instructions. If the symptoms worsen, then they should seek hospital admission."

Meanwhile, booster doses for healthcare workers will commence on January 10.

"I am having moderate illness even after both doses. But I am waiting for the fever to subside. Once it does, and my isolation period of seven days is over, I will take the booster shot," a doctor from Victoria Hospital told *TNIE*.

Meanwhile, the Indian Medical Association said, "... doctors are expected to have 5-10 times more Covid infections as compared to the general public."

Recovery rate declines

CONTINUED FROM PAGE 3

THE state's recovery rate has steadily declined from 98.47 per cent on December 26 and to 97.999 per cent on Thursday.

Bengaluru contributed 4,324 cases to the day's tally. In the city, it took five days for active cases to go from 6,000 to 7,000, two days to reach 8,000 and one day each to cross 9,000, 11,000, 14,000 and 18,000. The latest figures stand at 18,913. The mortality rate, which remained steady at 1.27 per cent since October 4, reduced to 1.26 per cent on Thursday. With one death, the toll went up to 38,358.

Meanwhile, the Covid vaccination drive for the 15-18 age group continued with two lakh teenagers jabbed in the state on Thursday, taking the total to 13.2 lakh.

Govt to review curbs after Jan 15 as ministers object

Say cases in their districts are low, question need for restrictions

EXPRESS NEWS SERVICE
@Bengaluru

FOLLOWING objections from several ministers, the State Government has decided to review the Covid restrictions, which have been imposed till January 19.

Law Minister J C Madhuswamy said during the cabinet meeting on Thursday that many ministers from outside Bengaluru objected to the restrictions in their region as the number of cases there was low. To address this, the government will take a second look at the restrictions after January 14 or 15, he told reporters.

"The ministers questioned the need for the restrictions, including night curfew, in their districts where the positivity rate is not high. Chief Minister Basavaraj Bommai and Health Minister Dr K Sudhakar will meet the Technical Advisory Committee on or before January 15 and are expected to review the curbs. The government will take a decision based on their opinion and the prevailing situation," he added.

Explaining the reasons for imposing the restrictions across the state, Madhuswamy said during the second wave, curbs were implemented only in Bengaluru. "But people went from the city to their native places in other parts of Karnataka leading to the spread of Covid-19. This is why we had to impose restrictions across the state," he said, adding that the guidelines are being enforced in the interest of the public.

'Curbs not limited to Mekedaatu'

Asked about Congress' allegations that the restrictions were imposed to thwart the Mekadatu Padayatra, Madhuswamy stressed that the curbs are not limited to Mekedatu and are a preventive measure. "Let them take out the padayatra. The deputy commissioners will take the next course of action," he said.

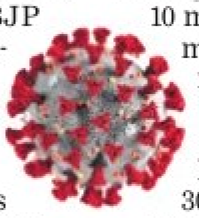
Covid norms go for a toss at swearing-in of MLCs

EXPRESS NEWS SERVICE
@Bengaluru

A large number of people, more than the 100-people norm specified by the government for closed spaces to beat Covid, attended the swearing-in of newly elected Members of Legislative Council (MLCs) at the Banquet Hall of Vidhana Soudha on Thursday.

Twenty out of 25 MLCs elected from local bodies took oath. Of them, Vijayapura BJP MLC PH Pujar did not attend as he has tested positive for Covid virus and is under home isolation.



Covid norm violations occurred even as Council Chairman Basavaraj Horatti, Chief Minister Basavaraj Bommai, his cabinet colleagues and leader of opposition Siddaramaiah attended the event.

KPCC president DK Shivakumar, despite being at the event, raised objection to the way the government conducted the programme. "What was Home Minister Araga Jnanendra doing? The swearing-in should have been done either virtually or inside the chambers of the Council chairman," he said.

As per new Covid guidelines announced by the government, not more than 100 people in closed auditoriums and not over 200 people in an open field can attend events. But the Banquet Hall, which had seating capacity for 800, overflowed with the new members, their families, supporters and top political leaders.

Council authorities had issued passes to only 400 people, stating that one MLC can bring 10 members, but there were more than the specified number at the venue. "Even when the chief minister entered the hall, there were nearly 30 people accompanying him. The police were helpless," an official said.

Of the 25 newly-elected MLCs, five -- PH Pujar, Congress' Sunilgouda Patil from Vijayapura dual seat, Bhimrao Basavaraj Patil from Bidar and M L Anil Kumar from Kolar and JDS' Dr Suraj Revanna -- did not attend the swearing-in, citing personal reasons.

Sources said that some of these MLCs, especially Suraj, did not want to be sworn-in as it is the inauspicious Dhanurmasa or Shoonyamasa.

DKS gets 'saffron' touch for his padayatra

DEVARAJ B HIREHALLI @Bengaluru

THE Congress, especially KPCC president D K Shivakumar, seems to be leaving no stone unturned to make the Mekadatu Padyatra, scheduled from January 9 to 19, a success. Shivakumar has invited a host of religious leaders, who may extend moral support to him even if they do not take part personally, sources said, adding that some local religious heads may turn up on the first day and bless the rally.

The Congress leader apparently tried to project the padayatra as an apolitical movement, but it took a different turn, the sources added. Sjivakumar has met various religious leaders, including the heads of Suttur, Adichunchanagiri, Siddaganga and Murugha mutts, the Kunchitiga Vokkaliga religious head and even maulvis of and pastors in Bengaluru to get their moral support. On Thursday, he called on 'Shwasaguru' Vachanananda Swami and invited him to take part in the padayatra.

He had also invited Ganapathi Sachchidananda Swami of Mysuru, whose original Avadhoota Datta Peetha is located in Mekedatu. From seeking the support of religious heads to paying a visit to Chamundeshwari temple, Shivakumar is determined to ensure the success of the padayatra, observed a leader. Shivakumar, who has now been going the extra mile for the padayatra, is hoping that it will transform him from a leader from Kanakapura to one from the Old Mysuru region, observed political pundits.

Will not postpone padayatra even if it costs my life, says Shivakumar

EXPRESS NEWS SERVICE
@Bengaluru

TAKING an aggressive stance, Karnataka Pradesh Congress Committee president D K Shivakumar on Thursday said the Congress' pre-scheduled padayatra from Mekedatu to Bengaluru on Sunday will go as per the plan even if it "costs him his life".

"Let him arrest me and send me to jail, but it may take another lifetime for Home Minister Araga Jnanendra to stop the padayatra, which we have planned in the interest of the people of the state," he thundered.

Apparently to send out a clear message that the padayatra is unstoppable, the KPCC chief held talks on Thursday with party senior leaders, including opposition leader in the Rajya Sabha, Mallikarjun Kharge.

Later, speaking to reporters, he reiterated the Congress' allegation that the Chief Minister Basavaraj Bommai-led BJP government was conspiring to thwart the padayatra by "inflating the spike of Covid cases in the state".

"Unable to stomach the overwhelming response to the padayatra and digest the recent MLC poll results, which were in favour of the Congress, they are trying to stop the padayatra," he said.

He also questioned why the government instructed the Ramanagara district administration to not allow hotels to operate normally when no such restrictions have been imposed elsewhere in tourist spots of Karnataka. "We have booked rooms to stay overnight on the eve of the padayatra in Mekedatu," he said adding that it will be taken out while adhering to the Covid guidelines.

"I represent the party as its president while Siddaramaiah represents 100 legislators. We two will walk throughout padayatra. There will be four to five members along with us, who could shoulder the coffin as well as the palanquin."

Karjol releases 'proof', Congress dismisses it

EXPRESS NEWS SERVICE
@Bengaluru

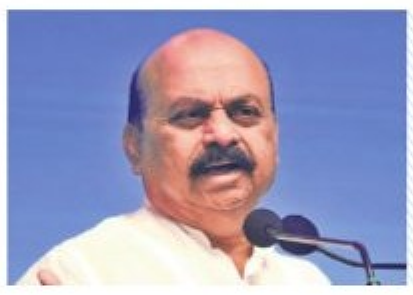
THE war of words between the ruling BJP and opposition Congress over the Mekedatu project seems to be heating up with the Congress terming it an emotional issue and an uneasy BJP calling it a gimmick.

On Thursday, Water Resources Minister Govind Karjol released documents before the media and claimed that the previous Congress government was responsible for delaying the implementation of the Mekedatu project. The Congress did not speed up the process between 2013-2016, he said.

However, Congress leader D K Shivakumar, and Siddarmaiah who was the CM between 2013-2018, dismissed the claims. They said the statement was factually wrong. Siddarmaiah said it was only being done to tarnish the image of the Congress and to hide the shortcomings of the BJP government.

They said there was no delay whatsoever, and the reference to delay was a reference to the time taken by official processes. The Supreme Court cleared it in 2018 and by that time, the detailed project report was already brought out by the Congress. In 2019, the revised DPR was brought out by then Water Resources Minister D K Shivakumar, when the coalition government was in power, they pointed out.

While Karjol claimed there was a delay between 2013 and 2016, Siddaramaiah listed out date-wise the events from 2013 about Mekedaatu, and said Karjol was not giving "factually correct information". The BJP government is trying to overcome its shortcomings by pointing fingers at the Congress, he said.



I hope they respect and abide by the Covid restrictions. Siddaramiah was Chief Minister earlier and is now leader of Opposition. I hope he will understand and respect the present Covid rules — **Basavaraj Bommai, Chief Minister**

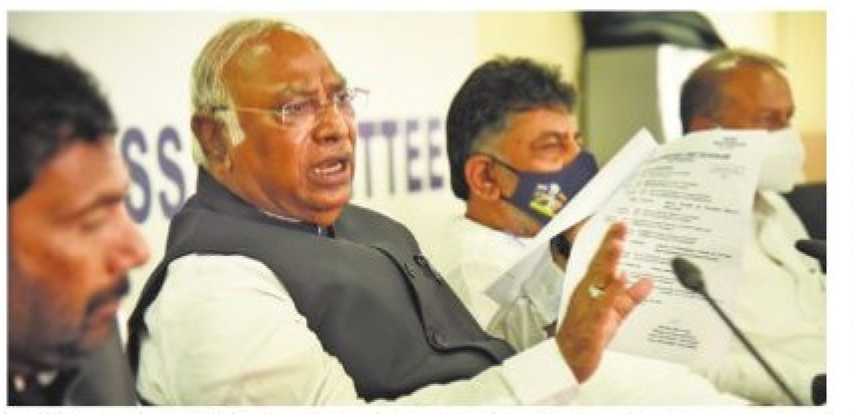
BJP MISLEADING PEOPLE ON SECURITY BREACH: KHARGE

EXPRESS NEWS SERVICE
@ Bengaluru

OPPOSITION Leader in Rajya Sabha Mallikarjun Kharge on Thursday accused the BJP of politicising the Prime Minister's security breach issue to defame and destabilise the Congress government headed by a Dalit in Punjab.

Terming the incident as unfortunate, Kharge said SPG, IB and Central agencies were responsible for the incident, but the Punjab government was being blamed. "This is a politics of polarisation and an attempt to defame CM Charanjit Singh Channi and his government," he told the media.

Kharge said though the State Government had informed the PMO about bad weather well in advance, the IB director had insisted on going ahead with the programme as scheduled. However, at the last minute, they made the change and decided to take the road route claiming that the weather was not good, he said. "It was done deliberately to avoid addressing the party rally as hardly 700 to 800 people had assembled at the venue when they were expecting 70,000 people," he said.



Mallikarjun Kharge addresses the media in Bengaluru on Thursday | NAGARAJA GADEKAL

Kharge took exception to the PM's reported remarks at Bhatinda airport. "He told officials to thank the CM 'ki mein airport tak zinda laut paaya.' How can PM speak like that?" he rued. "He has got 10 times more security compared to previous PMs and, unfortunately, they are now blaming the State Government...." he said.

Kharge said, "Punjab is very volatile about farmers' issue and naturally when the PM came, some people might have come to give memorandum, but the State Government tried its best to disperse them. No one was near the PM's convoy, but despite that, you are blaming the state government."

He accused the PMO, the government and BJP leaders of misleading people to politicise the issue. "We have not taken it lightly. The Punjab government has constituted a committee to probe it and if there is any security lapse on the part of the State Government, they will be punished," he added. He asked the BJP leaders not to insult the people of Punjab by making irresponsible statements.

Kharge on Thursday advised journalists to learn Kannada. "When you go to Tamil Nadu whether MK Stalin speaks in English in a press conference or Uddhav Thackeray speaks in English in a press conference? (Uddhav Thackeray) he speaks in Marathi, you accept it, but when I speak in Kannada that too in my Hyderabad-Karnataka Kannada, you insist me to speak in English," he said when some journalists asked him to also speak in English at a press conference in the party office. He, however, went on to make his point in English.

Row over PM's security unfortunate, says Deve Gowda

Bengaluru Former Prime Minister and JDS supremo H D Deve Gowda on Thursday said it is unfortunate that a controversy has broken out over the security of the Prime Minister. Taking to social media platform to express his displeasure, the Rajya Sabha member from Karnataka said there should not be any complacency when it comes to protecting the PM. "At no point should we be complacent when it comes to protecting the highest executive office of India. We should learn from the past," Gowda stated. The BJP and Congress are engaged in a bitter war of words over PM Narendra Modi's security breach in Punjab.

BJP MP lands in soup for targeting minister

EXPRESS NEWS SERVICE
@Bengaluru

TWO BJP leaders have landed in a spot after their conversation in hushed tones before the start of a press conference was picked up by television cameras and microphones.

Tumakuru BJP MP G S Basavaraj, while talking to Urban Development Minister Byrati Basavaraj, can be heard addressing Law Minister J C Madhuswamy in singular (Nan Maga) and likening him to North Korean dictator Kim Jong Un. Alleging that Madhuswamy had unleashed a culture of violence in Tumakuru, the MP said that the minister frequently uses words like "beat up" and "hit them."

In an apparent reference to the pressure the minister allegedly exerts on officials, Basavaraj said, "He tells the executive engineer to wash his wife's sarees. He has spoilt the image of the BJP in Tumakuru. The party will not win even a single seat in the district."

Madhuswamy is the minister in charge of Tumakuru district where the BJP presently holds five of the eleven Assembly seats. When contacted about the issue, he said, "I cannot respond to madmen (huchharu)."

BJP General Secretary Ravi Kumar told TNIE, "It is just a personal conversation between two people and should be considered as such. Minister Byrati Basavaraj, MP G S Basavaraj and Minister J C Madhuswamy are prominent forces in the party. I would only request that even while having personal conversations, one should exercise great caution."

Sources said Madhuswamy and G S Basavaraj, both Lingayat leaders, do not share good relations. While Basavaraj joined the BJP from the Congress, Madhuswamy joined from the Janata Dal.

Recently, microphones had picked up embarrassing details that KPCC functionary Mohammedd Saleem was sharing with former MP V S Ugrappa about KPCC president D K Shivakumar Recently, CLP leader Siddaramaiah was heard telling KPCC president D K Shivakumar to put up Sardar Vallabhai Patel's picture at an event, saying that the BJP could make an issue of it. In another conversation, Shivakumar is heard telling Siddaramaiah that AICC general secretary Randeep Singh Surjewala had told him that party veteran T B Jayachandra should not be given the ticket from Sira and that they have to choose someone younger. **ENS**

EV bikes eye record books with 14k+ km road trip

BENGALURU: To promote road safety and encourage use of eco-friendly modes of transport, Startupnrev, a collaboration of startups, will attempt to create a new world record for the longest electric motorcycle ride. Transport Minister B Sriramalu on Thursday green-lighted the proposal made by four startups from Karnataka and two bikers from Brigade REAP. The two riders -- John Kuruvilla and Gautam Khot -- will undertake a over 14,000-km round trip across the country on February 4, and it will be flagged off from Bengaluru. The route is called Electric BharatMala. "The route will have 54 touch points including Mangaluru, Ernakulam, Kanyakumari, Chennai, Ongole, Puri, Jamshedpur, Ranchi, Kolkata, Darjeeling, Guwahati, Gorakhpur, Nainital, Dehradun, Shimla, Leh, Srinagar, Jammu, Amritsar, Bikaner, Udaypur, Jamnagar, Porbander, Bhavnagar, Surat, Mumbai and Goa, before returning to Bengaluru," said Khot. **ENS**

Cabinet nod for Jog works flayed

BOSKY KHANNA @Bengaluru

ENVIRONMENTALISTS as well as officials from the Forest and Tourism departments have opposed the cabinet nod to create a ropeway and construct a five-star hotel at Jog Falls, stating that the fragile Western Ghats in Shivamogga should not be disturbed as development works will trigger more environmental damage.

"The government is thinking of tourist attractions at the cost of the fragile ecosystem. It's a perennial forest, but not a perennial waterfall. There is high percentage of floral and faunal endemism which will be lost with the works being undertaken by the government. The increasing concretisation of areas in Shivamogga and around Jog Falls will only reduce the beauty of the waterfall over time as the natural beauty and water-holding capacity will come down. The government also has forgotten that it is the habitat of the endemic lion-tailed macaque," Subhashchandra M D, assistant consultant, CES, IISc, said.

Tourism officials pointed out that there were better and more beautiful waterfalls in the state, but Jog has a lot of importance because of political reasons. "Also, the area is now well connected by roads. The waterfall does not need so much attention. Instead, attention can be given to improve the approach to other waterfalls," an official said.

The officials pointed out that the Karantaka government must take a cue from the central government's recent rejection of the Kerala government's proposal to undertake a ropeway in a national park.

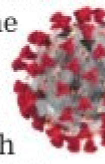
Tourists planning to visit Hampi during the weekend will be disappointed, due to the curfew. The heritage destination will remain closed, while daily rituals at all the temples will remain unaffected

Kerala Covid death count nearing national average

State 2nd in most number of deaths, having overtaken its neighbours

UNNIKRISHNAN S @ T'Puram

AT a time when the state is staring at another Covid wave, the deaths from the previous waves is getting larger. Kerala has already overtaken its neighbouring states to become the second in the country with the most Covid deaths, with the mortality rate still growing. It is inching closer to the national average of 1.3 per cent.



What is discomforting in the dubious record is the volume of deaths previously not included in the official death list. In the last three months, the state added 18,542 such deaths, which make up more than 37 per cent of the official deaths. As a result, the mortality rate has more than doubled to 0.93 per cent. A low case fatality ratio of around 0.4 per cent has been a hallmark of the Kerala model of Covid management. "The state government's narrative used to be that we have have the lowest mortality rate and that is no longer true. Comparably bigger states AP, Odisha, and Telangana have a lower mortality compared to Kerala," said Rijo M John, a health economist, who closely tracked Covid management across the country. His analysis is based on reported deaths from different states. Kerala is far behind Maharashtra, which recorded 1.42 lakh fatalities. But the state is unlikely to be replaced by the neighbouring states soon.

When Karnataka and Tamil Nadu have been adding single-digit deaths for a while, Kerala is adding three-digits, mainly due to under-counted deaths. The state reported 221 deaths on Thursday, which took the total fatality count to 49,116.

The big jump in deaths has happened when it is found that Kerala has the lowest under-counting factor, based on the seroprevalence surveys in the country. The reconciliation efforts made by the government in setting right the under-reporting of deaths has revealed the true picture of the casualties, even when the health activists have long accused the government of distorting the records.

ODISHA SEES FIRST OMICRON FATALITY

BHUBANESWAR: Amid the rapid rise in new Covid cases, Odisha on Thursday reported its first Omicron-related death. The deceased, a 45-year-old woman from Balangir district, had succumbed while undergoing treatment at VIMSAR, Burla, on December 27. Her genome sequencing result came on Wednesday. Sources said, the woman was admitted to Balangir Medical College and Hospital on December 20, for brain stroke. Meanwhile, she tested positive for Covid-19 on December 23, and her sample was found to be contain Omicron.

Upa Lokayukta acts against Palike engineers

EXPRESS NEWS SERVICE @ Bengaluru

TAKING suo motu action after inspecting the Kodigehalli Railway underpass, where people are facing problems due to a dangerous road near the underpass, Upa Lokayukta Justice BS Patil directed the BBMP to inspect the road and come out with a proposal to address the grievances of the public.

"During the inspection on January 3, 2022, it is seen that the L&T Road leading to Airport Road is in bad condition, as there are several pits and uneven surface, posing a danger to commuters and possible accidents. Commuters cannot notice the uneven road from a distance. This has enhanced the possibility of accidents from speeding vehicles," Justice Patil said.

During the inspection, he also noticed garbage along the Railway Parallel Road near Sahakaranagar Railway underpass.

Suo motu action has been initiated against the BBMP engineer, Justice Pai said.

Passing the order to register a suo motu case under Section 7(2) of the Karnataka Lokayukta Act against the executive engineer and assistant executive engineer, Byatarayanapura subdivision, to conduct a probe on the poor condition of the road and also against the assistant executive engineer of solid waste management for not taking steps to dispose of garbage effectively, Justice Patil directed them to file their statements before February, 1, 2022, the next date of hearing.

Girl stripped, locked up for carrying mobile

EXPRESS NEWS SERVICE @ Mysuru

IN a horrific incident reported at a government school in Srirangapatna taluk, a girl, who was carrying a cellphone, was allegedly stripped and locked in a classroom by the school headmistress.

Though the incident occurred at Ganagur Government School near Srirangapatna in Mandya district a week ago, the video went viral on social media platforms recently, triggering a huge outcry.

According to villagers and the complainant, the student studying in Class VIII had gone to school with a cellphone. Headmistress Sneha Latha, who caught the girl, took her to a classroom, stripped her and locked her in for some time.

Other students complained to the girl's parents, who arrived at the school with other villagers and gram panchayat members and took the headmistress to task. They filed a complaint with Srirangapatna Tahsildar Swetha and also with the block education officer.

A former member of the taluk panchayat, Ramakrishnappa, village panchayat member Brunda and others visited the school along with officials to get first-hand information from the headmistress.

Meanwhile, Mandya Deputy Director of Public Instruction ST Javaregowda told *The New Indian Express* that he has issued an order to take action against the headmistress based on the complaint and has informed his higher-ups.

HAL's IJT completes six-turn spins

ENS @ Bengaluru

THE Intermediate Jet Trainer (IJT), designed and developed by Hindustan Aeronautics Limited for Stage II training of Indian Air Force pilots, has successfully demonstrated the capability to carry out six turn spins to the left hand and right-hand sides. The IJT was conceived by HAL as a replacement for the ageing Kiran aircraft. The capability to enter and recover from spin is a necessity for a trainer aircraft in order to familiarise the trainee pilots to recognise departure from controlled flight and the actions required to recover from such situations, read a statement issued by HAL. The aircraft was piloted by Gp Capt HV Thakur (Retd) and Gp Capt A Menon (Retd).

HAL CMD R Madhavan said that given the right resources and backing, HAL is capable of designing products that can meet any requirement of the Indian Armed Forces. Director (Engineering and R&D) Arup Chatterjee said that by demonstrating its capability to have six turn spins on both sides, the IJT has achieved a major milestone.

The IJT had completed demonstration of its capabilities in terms of altitude and speed envelope, load factor, satisfactory stall characteristics and limited armament capability as required by IAF earlier.

The only pending task was spin testing.

Woman sets kids, herself ablaze

BENGALURU: A 27-year-old woman allegedly set her two children on fire, before setting herself ablaze at her residence at a village in Doddaballapur. The deceased have been identified as Sandhya S -- who was reportedly suffering from depression owing to health issues -- her daughter Kusuma (4) and son Rohit (2). While neighbours said Sandhya was upset with her husband, Srikanth, for refusing to take her out for dinner, which led to the extreme step, the police disagreed. No suicide note was found.

Realtor hacked to death in Anekal

BENGALURU: Unidentified miscreants waylaid a vehicle, dragged a realtor out and hacked him to death in Anekal police station limits, on Wednesday night. The police have formed special teams to nab the assailants. The deceased has been identified as Rajashekhar Reddy (42), a resident of BTM Layout. Police said Reddy had gone to Anekal on some work and was returning in the evening, when he was murdered. "It is suspected that Reddy was murdered over a financial or land dispute," police said.

Students wear saffron shawls, VC sees red

ENS @ Mangaluru

MANGALORE University Vice-Chancellor Prof PS Yadapadithaya expressed displeasure over some students attending classes at Pompei College at Ikala near here wearing saffron shawls to protest Muslim girls wearing Hijab.

The VC appealed to the students not to disturb the academic atmosphere by such acts and instead of focus on studies and avoid any distraction.

More than a dozen students turned up at the college with saffron shawls on Tuesday and repeated the same for the next two days. Sources said the college did not take any action against these students and the management of the college, which is a minority institution, is in a fix as any action against the students would only deepen the crisis and the issue may take a political turn.

The general public are hereby cautioned that we have a registered Joint Development Agreement (JDA) dt 07.08.2013 with Dr. N. Lakshmipathy Babu for the development of the Schedule Property and have paid and expended substantial amounts. In view of certain disputes arising out of said JDA, we filed an application under Sec 9 of Arbitration & Conciliation Act 1996 seeking interim measures before the City Civil & Sessions Court, B'lore in A.A.No.25001/2021. The Hon'ble Court by way of an Interim Order dt. 05.02.2021 was pleased to restrain Dr. Lakshmipathy Babu from alienating, encumbering or creating 3rd party interest over the schedule property and /or changing the nature of Schedule Property.

We have also initiated arbitration proceedings and a sole arbitrator has been appointed by the Hon'ble High Court of Karnataka in CMP No.216/2021 to adjudicate the disputes.

It is brought to our attention by a Public Notice dt. 01.01.2022 in Indian Express and Kannada Prabha by R. Rashmi Sagar, Advocate, BSRP Associates informing one of her Clients intend to purchase the Schedule Property from Dr. Lakshmipathy Babu. The said transaction would not be binding on us and any transaction entered into by any third party would be at their sole risk, cost and consequences apart from the same being in Contempt of orders of the Hon'ble City Civil Court.

SILVERLINE PROJECT NEEDS WIDER DEBATE, BETTER TRANSPARENCY

If there's an option to travel between Thiruvananthapuram and Kasaragod, a distance of about 550 km by road, in four hours, who wouldn't want it? However, the Kerala government's ambitious plan to construct a semi high-speed rail corridor connecting the south and north ends of the state has vertically divided its population. With CM Pinarayi Vijayan declaring that there is no going back on the ₹64,000-crore SilverLine project and state Congress chief K Sudhakaran vowing to stall work by mobilising people, the stage is set for an intense socio-political conflict. High-speed connectivity has been considered by successive governments since 2001, when PWD minister M K Muneer mooted an express highway. The project was shelved following opposition from the LDF and environmentalists. The plan for a high-speed rail network was first suggested in the 2011 Budget. In 2012, based on a feasibility study conducted by DMRC, the Oommen Chandy government announced a high-speed rail corridor with an estimated cost of ₹1.18 lakh crore. It didn't take off. Based on a fresh study, the SilverLine project was announced in the 2019–20 Budget.

With the government now accelerating efforts to implement the project with a four-year deadline, critics have come up with a barrage of allegations that range from possible flooding to the vertical division of Kerala. While many of the allegations appear frivolous, some questions need answers. A dozen high-speed rail projects are under various stages of implementation in the country. Instead of going for a similar project, the logic of constructing a standalone rail network with inferior technology is hard to explain. Besides, there are glaring mismatches in figures such as daily ridership and economic internal rate of return in preliminary and final feasibility studies, raising doubts that crucial figures were not handled seriously while planning the project. The insistence on keeping the detailed project report a secret does not help either.

There's no doubt that Kerala needs better mobility options, and fast trains and express highways are the way to go. But the government must address people's concerns. Let the detailed project report be made available in the public domain and discussed in local bodies and the state Assembly. Better transparency will only help ensure people's support and speedy implementation. Since this is a futuristic project, the option of upgrading it to a high-speed corridor is also worth considering.

NEED NON-PARTISAN COVID CURBS IN T'GANA

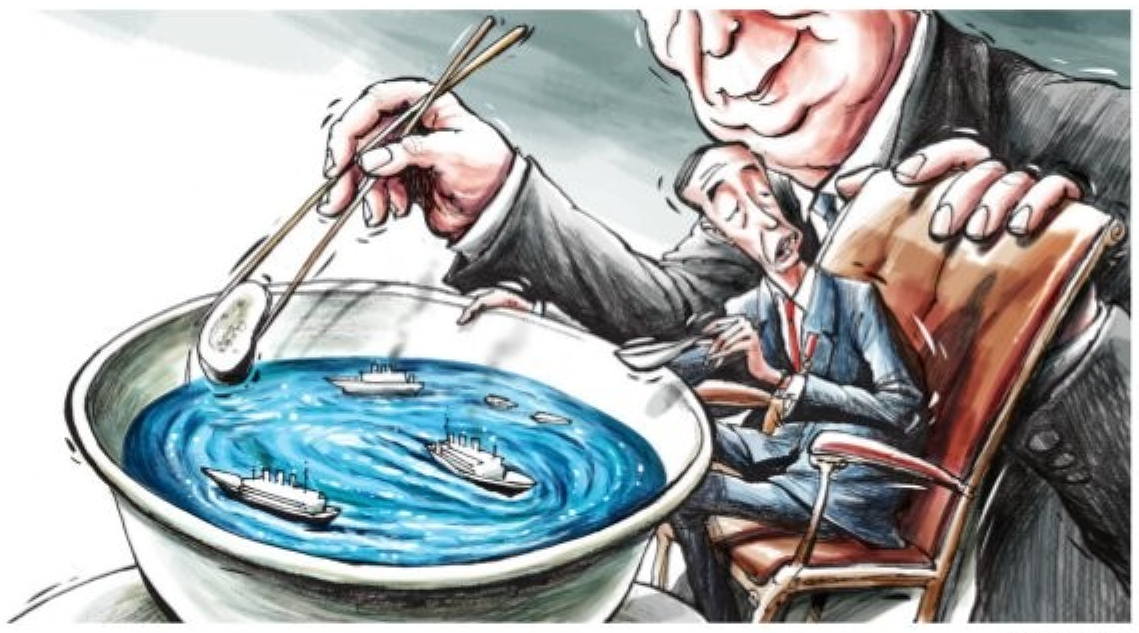
At a time when the Covid-19 third wave has already begun, it goes without saying that people need to act responsibly. But Telangana appears to have different yardsticks. The other day, police in Karimnagar disrupted BJP state president Bandi Sanjay Kumar's *jagaran deeksha* against a GO on transfers of government employees and teachers. The police dismantled tents, broke open doors, used water cannons and lathicharged the crowd—all in the name of preventing Covid—but ironically ended up creating a situation for the virus to thrive. National BJP chief J P Nadda and other leaders raked Chief Minister K Chandrashekar Rao over the coals for the "inhuman and barbaric" police action. To be fair, the BJP ought to have sought police permission for the deeksha but did not. Not that the TRS government would have allowed the BJP's political deekshas, given the fierce turf war between the two parties, but not seeking permission left the BJP defenceless. A few days later, the police prevented Nadda from taking out a rally in Hyderabad, again citing Covid.

While the urgency to enforce Covid restrictions in Hyderabad is indeed admirable, how does one explain IT minister K T Rama Rao's huge public meeting in Nalgonda recently where pandemic protocols were completely ignored? Surely the virus is non-partisan. It cannot be that a TRS public meeting is virus-proof while BJP or Congress mobilisations carry the risk of turning into superspreaders. Recently the police kept TPCC chief A Revanth Reddy under house arrest when he was about to leave to take part in the party's rachabanda programme.

By obstructing activities of the opposition BJP and Congress alone citing Covid as an excuse, the TRS could also end up losing goodwill, apart from exposing the state to a heightened coronavirus risk. Is expecting a level playing field too much to ask?

Indonesia's response to China's incursions have been relatively muted, which several analysts say is due to the deepening of economic ties between the nation and Beijing

CHINA'S TENSIONS WITH INDONESIA IN NORTH NATUNA SEA



SOUMYADIP SINHA

SHANKARI SUNDARARAMAN

Professor at School of International Studies, JNU, New Delhi

ASIAN AXIS

By the end of December 2021, the stand-off between Indonesia and China over their respective claims to the waters around the Natuna region became more strident. This is an area of contested claims from the Chinese side that violates the United Nations Convention on the Law of the Seas (UNCLOS); Beijing claims roughly 80% of the maritime spaces in the South China Sea. For Jakarta, the regions extending north of the Natuna island fall under its Exclusive Economic Zone (EEZ), which is rightfully recognised by the UNCLOS as Indonesian waters, where the country can carry out exploration of resources. Over the past few months, tensions between Indonesia and China in the territorial waters of this region were clear, as Jakarta has been liaising with international companies to explore its EEZ for resources. Indonesia's responses have been complex as it has tried to balance its sovereign rights and its economic relations with its bigger neighbour.

The tensions over the region of the Natuna sea became visible nearly a decade ago, after China began to assert its claims to the nine-dash line. As China began to officially state its claims over the South China Sea, the Indonesian Ministry of Foreign Affairs in November 2015 asked for a clarification on the waters of the Natuna Sea. The Chinese foreign ministry spokesperson's response stated that Beijing did not have any claims to the Natuna island, leaving the region of Indonesia's EEZ extending from the island in a state of diplomatic uncertainty and ambiguity. However, Indonesia has repeatedly focused on the importance of UNCLOS and the relevance of adherence to international law as a means of resolving the maritime disputes in the region. In 2015, as part of its response, Indonesia also clearly reiterated that it did not recognise the nine-dash line and that it did not even consider itself a claimant in the South China Sea dispute as it had no claims over the Spratly and Paracel group of islands, which was the core area of contestation. In a defiant stand, Indonesia in 2017 began to identify the region around the Natuna island as the north Natuna Sea.

The more recent tensions exacerbated when the proposal for a joint consortium between two international oil companies went through after findings of a moderate amount of natural gas to the tune of 600 billion cubic feet, of which 45% is in the condensate form that can be marketed, as stated by an article in the *Asia Times*. The two companies, Harbour Energy and the Russian state-owned enterprise Zarubezhneft have announced this after a successful completion of the evaluation of the regional resources. The two companies have been clear that the appraisals for the exploration have been successfully concluded in the Tuna block, a region within the Indonesian EEZ that is very close to its maritime border with Vietnam. The discovery of nearly 100 million barrels of oil in the region, as reported in *Energy Voice*, indicates the reasons for the growing presence of Chinese vessels in the region and automatically heightens geopolitical tensions.

Indonesia has repeatedly focused on the importance of UNCLOS and the relevance of adherence to international law as a means of resolving the maritime disputes in the region. It also clearly reiterated that it did not recognise the nine-dash line ... In a defiant stand, it began to identify the region around the Natuna island as the north Natuna Sea in 2017

Around late August, a Chinese survey vessel and two coast guard boats entered into the Indonesian EEZ, ratcheting up geopolitical tensions between the two countries. This was the first such stand-off in the region around the Tuna block, where the Chinese vessel was mapping the seabed for resources and began to object to the exploration activities by Indonesia. In September, the AUKUS deal went through between the US, UK and Australia, which saw some minor diplomatic stresses between China and Indonesia. This was because the Chinese foreign ministry summoned the Indonesian ambassador and expressed its concerns over the AUKUS deal, pushing Jakarta firmly into a tight corner on the US-China rivalry issue. Given that the nation is neither a member of the AUKUS, nor a party to the South China Sea dispute, this diplomatic pressure by China was clearly misdirected as Jakarta had no leverage on how regional states of ASEAN would respond to the AUKUS. Recently, Defence Minister Prabowo Subianto responded that while AUKUS raised regional concerns of an arms race, it was understandable and needs to be respected.

Indonesia's response to the incursions have been somewhat muted, which several analysts say is due to the deepening of economic ties between the nation and China. Beijing has become one of the largest investors in infrastructure development in Indonesia, particularly funding the Jakarta-Bandung High Speed Railway Link. This was initially being funded by the Japanese International Cooperation Agency (JICA), but the project went through several ups and downs, including a cancellation of the proposed railway, finally tipping the balance in favour of China. Beijing has funded $4.5 billion for the railway link, the total cost of which is valued at $8 billion. Indonesia has had to actually resort to using its state budget to address the increase in costs for the project, which has led to concerns. Moreover, China plays a crucial role in the areas of nickel smelting and the production of lithium batteries in Indonesia, leading to an increased economic role. This has led to a more complex diplomatic manoeuvrability for Jakarta, where its *bebas dan aktif* or free and active foreign policy is tethered on increasing close ties to China, putting Indonesia in a difficult place vis-a-vis its regional leadership role.

RAHUL AND HOW DYNASTS DISTORT DEMOCRACY

VINAY SAHASRABUDDHE

President, ICCR, and BJP Rajya Sabha MP

Usually, the tweets of Rahul Gandhi—the mostly non-resident leader of the Congress party—do not merit serious attention. However, on 28 December 2021, while tweeting to mark the Foundation Day of India's GOP, Rahul claimed that Congress is a party "which laid the foundation of our democracy & we are proud of this legacy". This outrageous claim needs to be contested. This is not only too far from the facts but also smacks of arrogance. What he claims also amounts to an insult to our people and India's great civilisational ethos.

This is because thousands of years before the emergence of the Nehru-Gandhi dynasty, India came to be known almost as the global capital of spiritual democracy. The philosophy of *Ekam Sat Viprah Bahuda Vadanti* (the truth is one and wise men describe the same differently) has been the cornerstone of the Indian world view. Obviously then, outsiders entering India not only enjoyed complete freedom to practise their religion but were also allowed to propagate their way of worship and even convert people to their fold. While claiming that his party laid the platform for democracy in India, Rahul has ignored the basic foundational thought behind our pluralist traditions. He has to understand that although democracy of the modern parliamentary form in India might have come here via colonial rule, its spirit has been the lifeblood of this great country. Such traditions in India have started with spiritual democracy and on that foundation, we have achieved remarkable success in making political democracy of the Westminster type a success. Our onward march now is towards making social and economic democracies a reality.

Little wonder, always criss-crossing the world for some global agenda, Rahul is seemingly ignorant of all this and hence he has made a false claim about democracy. However, his other claim that he is 'proud of the legacy' can be considered honest since except legacy, he has precious little to talk about. In fact, the very foundation of Rahul's politics is legacy and legacy only, albeit it is confined only to his being Congress leader. But then, one need not single him out as from Uddhav Thackeray to Akhilesh Yadav and M K Stalin to Naveen Patnaik, there is a long list of politicians who are running their respective parties as principalities. A closer look at the methodology that saw these heir-apparent politicians at the helm of their parties tells us volumes about their commitment to democratic principles in general and social equality and egalitarianism in particular.

Unfortunately in our country, most political pundits, analysts and even researchers on democracy have remained silent on the ill-effects of dynastic politics on our polity. Dynastic politics is not just anti-democracy but also works only by sacrificing principles of equality and social justice. A dynast occupies the position automatically simply because he or she belongs to the ruling family of their party. Naturally, this becomes a classic case of denial of social justice, and discrimination on the basis of birth. This amounts to a kind of not just back-door entry of casteism but also recognition of birth-based discrimination. As is obvious, others in the Samajwadi Party cannot think of someone else from beyond Mulayam Singh Yadav's family or the RJD beyond Lalu Prasad Yadav's family at the helm of affairs. The same is true of the DMK and the Karunanidhi family, Shiv Sena and the Thackeray family, NCP and the Pawar family, SAD and the Badal family, National Conference and the Abdullah family, TMC and the Mamata family or BJD and the Patnaik family, and so on. In most of these parties, neither policies and principles matter, nor programmes and projects. What matters is the family and its current as well as the next generation. In all these parties, an unspoken quota system prevails. Just because an individual is born in a particular family, he or she gets a position, without merit, without abilities and at times even without any will to occupy that position. This is how these parties negate social justice.

Dynastic politics goes against the principles of equality and social justice. In India today, of the over 2,700 political parties, only 50 matter most as they have some representation in either Assemblies or Parliament. Of these 50, except a handful like the BJP and Communist parties, all others are dynasty-driven and this is scary

In India today, of the over 2,700 political parties, only 50 matter most as they have some representation in either Assemblies or Parliament. Of these 50, except a handful like the BJP and Communist parties, all others are dynasty-driven and this is scary, to say the least.

In the context of hereditary politics, what columnist, author and political commentator Patrick French had said in 2014 is revealing. He had written, "In other democracies, the children of a president or a prime minister often seek to join the political rat race, but the parties themselves are not controlled by such families. In India, Pakistan, and indeed in the Philippines, this is what happens. Benigno Aquino III, who became president in 2010, is the fourth successive generation of his family to hold paramount political power. In succession to his grandfather and his mother, Bilawal Bhutto Zardari became co-chairman of the PPP after his mother's assassination in 2007."

If what is happening in Pakistan or Philippines is not to be replicated in India, one must guard our democracy against the perils of dynasty-driven political parties occupying power. Such parties cannot be trusted as guarantors of democracy as they are demonstrably bereft of any commitment to principles of justice, equality, plurality and even rule of law. Most dynastic parties face a split (as we witnessed in the SP, Shiv Sena and even SAD) and hence there is no certainty of political stability as well.

Congress leaders must understand that their party laid the foundation, not of democracy in India but of dynastic politics of the worst kind—and thereby the process of perversion of democracy.

Who authorised the flight?

The high-level probe team that investigated the helicopter crash that resulted in the death of all passengers on board including India's first CDS General Bipin Rawat has said there was no sabotage (*Bad weather caused CDS chopper crash, sabotage ruled out*, Jan 6). The question that still remains unanswered is who authorised the flight when the weather was turbulent as the chopper carried a VVIP and several other distinguished serving officers?

Cinema theatres over God

This is with reference to the report *Night curfew, Sunday shutdown back in TN* (Jan 6). As part of new curbs, places of worship will be closed to the public on Fridays, Saturdays and Sundays. At the same time, there will be no new curbs for cinema halls on those days. There are more possibilities of the virus spreading inside air-conditioned cinema halls and so one is perplexed by the logic behind this decision.

Coming out of Covid loop

On the one hand, the spirit of the public after the initial waves of Covid has been amazing. On the other, most people have been turning a blind eye to the current Covid situation and are not following simple protocols such as wearing masks. Rome to Amritsar, 125 of 179 in chartered flight test positive for Covid

EXPRESS NEWS SERVICE @Chandigarh/New Delhi

A staggering 125 passengers out of 179 on a chartered flight from Italy tested positive for Covid-19 after landing in Amritsar on Thursday. All of them were sent to institutional quarantine. The rest will be in home quarantine/isolation.

This comes amid heightened testing at all airports across the country, especially those that receive international passengers. India had earlier identified several European countries including Italy as 'at risk' in the wake of the outbreak of the Omicron variant.

Director of Amritsar Airport VK Seth told this daily over phone that a chartered flight from Rome arrived on Thursday at the Amritsar International Airport at 11.20 am. As per protocol, all passengers have to be tested barring those below five years of age. "A total of 160 passengers were tested of the total of 179 on board and of these, 125 were Covid positive. The state authorities were informed and the passengers were handed over to them."

Many passengers questioned the authorities at the airport how did they test positive after returning negative reports in Italy. Asked about this, Seth said he cannot elaborate but as per guidelines, they had to produce negative reports before boarding and still be subjected to tests after landing. According to the health ministry, all adult passengers from Italy have to be tested in the wake of the Omicron outbreak.

There were chaotic scenes at the airport, with a large number of passengers waiting to leave and relatives who had come to receive them waiting outside the exit. However, they had to pacified and told that as per protocol, they would be sent for quarantine.

Sources said that this chartered flight was reportedly operated by Euro Atlantic Airways, a Portuguese company and made a technical halt at Tbilisi in Georgia.

As Covid-19 hospitalisations rise, even the vaccinated are not spared

Experts say those inoculated and getting the virus are more likely to have mild symptoms

SUMI SUKLANYA DUTTA @New Delhi

> **I have quite a few Covid-19 patients in my hospital needing medical attention and most of them are fully jabbed**
>
> Yatin Mehta, Medanta Hospital, Gurugram

> **There are definitely a lot of cases of breakthrough infections even though I do not have data on Covid-19 patients**
>
> Anjan Trikha, AIIMS, New Delhi

AS the number of Covid-19 patients increase, trend suggests both unvaccinated and vaccinated are landing up in hospitals in equal measures.

Many hospitals in the National Capital Region, which is seeing a sharp rise in active cases, are seeing a significant number of new admissions, most of whom had taken both shots against Covid-19.

"I have quite a few Covid-19 patients in my hospital and most of them are fully jabbed," said Yatin Mehta, head of critical care department at Medanta Hospital in Gurugram.

Experts and researchers have inferred that Omicron appears to replicate much more efficiently than previous variants and if infected people have high virus loads, there is a greater likelihood of them passing it on to others, especially the unvaccinated. Vaccinated persons who get the virus are more likely to have mild symptoms, if any, since the shots trigger multiple defences in the immune system, making it more difficult for Omicron to slip past all.

In India so far, while one death due to Omicron has been confirmed, a 73-year-old patient in Rajasthan, daily deaths in major cities where the variant is already the dominant strain have also started rising. This raises concerns that it may not be all that "mild".

At the All India Institute of Medical Sciences in New Delhi, where a large number of healthcare workers including doctors are down with the infection despite full vaccination, Anjan Trikha, head of critical care medicine said admissions are increasing. "There are definitely a lot of cases of breakthrough infections even though I do not have data on Covid patients," he said.

Some experts, meanwhile, sounded optimistic that while many patients, especially those with comorbidity, might need hospital care, mortality rate among those vaccinated is expected to remain low and the available vaccines primarily cut the risk of severe disease and death.

They cited data released by the UK Health Security Agency on Wednesday which showed that the risk for adults of being admitted to hospital with Omicron was about one third of that for the Delta variant. Evidence from the USA and UK have shown that in those who received two doses of Pfizer or Modern vaccines, effectiveness dropped significantly but vaccines did show some immunogenic response against Omicron.

Ahmedabad: The Gujarat government has postponed the Vibrant Gujarat investor summit due to rise in Covid-19 cases in the state. Record rise in Bengal, Kolkata accounts for nearly half the cases

PRANAB MONDAL @Kolkata

WEST Bengal recorded 14,022 new Covid-19 cases on Weddnesday. The daily tally in the state went above 14,000 for the first time since May 26 last year.

Kolkata shares 44% of the total new cases, having reported 6,170 on Wednesday. The growth rate is said to be highest ever since the outbreak of the pandemic in Bengal in 2020.

Bengal's daily tally crossed 14,000 from 1,000-plus in just about a week. In the second wave, this mark was reached in 23 days, in last April. In the first wave, it had taken 105 days.

The state government is yet to announce a lockdown. Restrictions have been enforced in many places and Kolkata Municipal Corporation has listed 27 containment zones.

"Instead of a statewide lockdown, the government will ensure strict restrictions in some of the localities where infection rate is higher," said a state health department official.

The state's daily positivity rate, which was 2.35% on December 28, has jumped to 23.17%. "This indicates that one of every four tests in the state is reporting positive. A positivity rate of up to 5% is considerable tolerable in a pandemic situation. At the peak of the second wave last year, it was 33%," said the official.

Elaborating on the possible reason, the official said general disregard for Covid-19 safety protocols was responsible for Bengal's present grim situation. "There was no control on the assemblies for Christmas and New Year celebrations were abundant. Thousands hit the roads across the state on the two occasions ignoring all safety protocols,'' he said.

Kolkata and its immediate neighbourhood of North and South 24 Parganas, Howrah, Hooghly and Nadia account for 11,672 or 83.24% of the new cases. Sixteen of the state's 23 districts reported no death and the state's mortality rate is 1.18%.

NEET order today as govt sticks to OBC & EWS stand

EXPRESS NEWS SERVICE @New Delhi

THE Supreme Court will on Friday pronounce its order on petitions challenging OBC and EWS reservations in all-India quota medical seats.

A bench of Justices D Y Chandrachud and A S Bopanna observed that it has to pronounce an order taking into account national interest and NEET counselling has to begin in view of the same.

The Central government suggested during the hearing that any revised criteria should be made applicable prospectively and the present counselling and admission should be held as per existing criteria. The government defended OBC reservation as well as the ₹8 lakh income criterion for determining EWS.

During the hearing, senior advocate Arvind Datar appearing for a petitioner submitted that no reason has been given by the Central government for rejecting the Sinho Commission report on economic reservation.

"Income criteria of ₹8 lakh is arbitrary, assets criteria is even worse — five acres of agricultural land — is completely wrong. In Kerala, its impossible to have five acres due to population density. There is no answer on what basis is this arrived at. Values of residential flats in Mumbai, Chennai are so different."

Senior advocate Anand Grover echoed that. "₹8 lakh limit allows the creamy layer to come in too. The economically weaker section criteria of nutrition, landlessness, employment is completely ignored. This is arbitrary."

Senior advocate Dushyant Dave, representing resident doctors who were staging protests until recently, said the decision on EWS criteria can wait and what needs to be done on priority is to ensure counselling immediately. "Third year residents are about to pass out in four months. We'll be left with 33% of workforce. With a third wave coming, we need doctors." The bench said this was a valid point.

Dubai group's ₹200 cr MoU for J&K hub

FAYAZ WANI @Srinagar

OVER two years after the revocation of Article 370, the UAE-based LuLu Group would be investing ₹200 crore in Jammu and Kashmir for a food processing and logistics hub in Srinagar.

A Memorandum of Understanding in this regard was signed by J&K Principal Secretary (Industries & Commerce) Ranjan Prakash Thakur and Ashraf Ali MA, Executive Director of LuLu Group in Dubai on Wednesday in the presence of J&K Lieutenant Governor Manoj Sinha and LuLu group Chairman Yusuff Ali MA. LuLu Group has a presence across 10 countries with 217 hypermarkets in GCC and Egypt.

Lt Governor Sinha said the MoU with LuLu group will further expand Jammu Kashmir-Dubai collaboration and Jammu Kashmir-LuLu Group partnership. LuLu group last year imported the famed Kashmiri apples for its 190-plus hypermarkets in the GCC and other countries.

"The world-famous GI tagged saffron has been launched at LuLu Hypermarket, which is a major step towards boosting J&K and Dubai partnership. LuLu group is importing apples from J&K and with saffron, we are adding Kashmir's finest spice to the basket. This beginning will take our trade to unprecedented levels," Sinha said.

Life threat gimmick by PM to destabilise Punjab: CM Channi

HARPREET BAJWA @Chandigarh

> **The fact that only 700 persons were present for the rally after 70,000 chairs were placed shows mounting resentment in the minds of people against the Modi government**
>
> Charanjit Singh Channi, Punjab CM

PUNJAB CM Charanjit Singh Channi said Prime Minister Narendra Modi's 'life threat' gimmick was aimed at toppling a democratically elected state government. He said failure of Wednesday's aborted rally was a reflection of the fact that Punjab has rejected the BJP's divisive and hatred agenda. He added that Punjabis have never shied away from making sacrifices for the nation and are as patriot a race as any other in the country.

Addressing a gathering in Hoshiarpur after laying foundation stone of several development projects, Channi said there was no threat to life of PM Modi but he cancelled his programme after coming to know about the low turnout at the rally venue. He said Modi went back after learning about empty seats and cited security threat instead. Channi mentioned this was part of larger conspiracy to defame Punjab and murder democracy in the state, on lines of what was done in Jammu & Kashmir.

Elaborating, Channi asked how was the PM's life threatened if the protestors were more than a kilometre away. He also said that at the place where Modi's cavalcade stopped, not even a slogan was raised. Channi reminded the PM that Punjabis have sacrificed lives for the unity, integrity and sovereignty of the country.

Channi also said that Modi is a respected leader, but it doesn't suit a person of his stature to indulge in cheap theatrics and did not forget to repeat that this is nothing but a sinister ploy to impose President's rule in Punjab. He added that Punjabis will vehemently oppose any such move.

Speaking in another place Hoshiarpur, the Punjab CM reiterated what he had said earlier. "The fact that only 700 persons were present for the rally after 70,000 chairs were placed shows mounting resentment in the minds of people against the Modi government. The vacant chairs showed the mirror to BJP and its entire leadership about their failure to gauge public sentiment. Punjabis have made up their mind to teach BJP a lesson."

SC to hear petition on security breach today

New Delhi: Supreme Court will hear on Friday a petition demanding probe into breach in the Prime Minister's security in Ferozepur. Senior advocate Maninder Singh moved the petition before a three-judge bench led by CJI NV Ramana, who asked him to serve a copy to the Punjab governmenty. The plea has sought a direction to the Bathinda district Judge to take possession of all evidence relating to police and security arrangements for the PM's visit that had to be cancelled.

JOINT DUTY OF SPG, STATE POLICE

EXPRESS NEWS SERVICE @New Delhi

WHILE many have blamed Punjab Police for not providing a sanitised route for the Prime Minister on his way from Bathinda to Ferozepur, some feel that the ultimate responsibility for PM's security lies with the Special Protection Group (SPG).

As per experts, the PM's travel plans are cleared according to SPG's 'blue book' or the manual by which it operates. SPG is tasked with not just planning the PM's route but also providing contingency plans, alternate routes and a safe house if required.

As for accountability, former UP DGP, OP Singh, who also served with SPG, said the gruop's main task is to provide proximate security to the PM. He said PM's overall security is up to the police of the state he is visiting. The state police is also tasked with gathering local intelligence, managing crowds and sanitising the venue.

A home ministry official said Moga-Ferozepur Highway was the approved "contingency route" in case the PM was unable to fly from Bathinda to Ferozepur. Punjab Police had assured the SPG when the PM started from Bathinda that the road was clear. But at around 11 am on Wednesday, 50 men of Bhartiya Kisan Union (Krantikari) arrived at the highway and blocked the road.

Bhartiya Kisan Union (Krantikari) claims responsibility for blockade

Chandigarh: The Bhartiya Kisan Union (Krantikari), believed to be an ultra left farmer union, admitted to blocking the way of PM Narendra Modi's cavalcade near Ferozepur on Wednesday. But it said this was unintentional as it was not aware that the PM was travelling by road since he was scheduled to arrive by air. The union's general secretary Baldev Singh Zira said according to information received by them, the PM was supposed to come in a helicopter. "When we were protesting on the spot, we came to know that Modi's cavalcade had turned back," he said. This union is headed by Surjit Singh Phul, who in 2009 had been booked under the Unlawful Activities Prevention Act and was in jail for almost five years. Bhartiya Kisan Union (Krantikari) was suspended by Samyukt Kisan Morcha for straying off the route during the tractor parade in New Delhi on January 26 last year.

Former IPS officers smell collusion of Punjab govt

EXPRESS NEWS SERVICE @New Delhi

A group of former IPS officers on Thursday sent a joint letter to President Ram Nath Kovind, requesting immediate action against the "intentional and planned security lapse" by the Punjab government during the visit of PM Narendra Modi.

"We, the former police officers, having devoted our lifetime to serve in different capacities all over India, are surprised by the happening in the border state of Punjab when the journey of the Prime Minister on a scheduled visit was interrupted by a crowd of protestors blocking the road. It was not only a sheer lapse of security but a shameful open display of collusion of the state machinery with the so called protestors to embarrass and harm the Prime Minister," stated the joint letter issued by the former IPS officers, including the former director general of Punjab Police P C Dogra.

The former police officials argued that the gravity of the incident and its national and international repercussion "forced us to approach yourself to take appropriate action". They said the "stoppage of the Prime Minister's cavalcade for about 20 minutes in a planned manner demonstrates poor law and order in Punjab and threatens the democracy in our country". The letter was also sent to the Chief Justice of India.

The joint letter stated that besides the casual approach displayed by the state government of Punjab, it appears to be a clear involvement of the state functionaries which has resulted in this horrific incident of security breach.

Parties plan digital campaign in UP

After Congress, BJP, SP and others cancel roadshows & rallies over rising Covid-19 cases

NAMITA BAJPAI @Lucknow

Pollitical PULSE

LEADING political players in Uttar Pradesh have decided to disengage with the public in mass gatherings due to the unprecedented surge in Covid-19 cases. Most of them have started preparations to go digital with campaigns ahead of the upcoming Assembly polls.

Ruling BJP has taken a step back by cancelling a rally to be addressed by PM Narendra Modi in Lucknow on Sunday. It also postponed CM Yogi Adityanath's programme in Noida scheduled for Thursday.

While Congress had announced postponing rallies and campaigns in UP on Wednesday, main opposition Samajwadi Party (SP) has also deferred the 11th leg of its Vijay Rath Yatra, led by party chief Akhilesh Yadav, due on January 7 and 8 in Ayodhya. Aam Admi Party, too, has also cancelled rallies in the state.

Significantly, Niti Aayog had cautioned the Election Commission about public rallies by political parties in five poll-bound states in the wake of rising number of cases.

Consequently, political entities in the state are preparing to get into the digital mode of campaigning. BJP, SP, BSP and Congress are strengthening their social media cells to plan virtual rallies as well as digital meetings on platforms like Twitter and Facebook.

BJP state spokesperson Rakesh Tripathi said they are already holding virtual meetings with party workers. BJP offices in 75 districts and 18 divisions up to the booth level are equipped with devices to conduct virtual meetings.

BSP sources said its national general secretary Satish Chandra Mishra, who led the delegation to meet the CEC, has urged to curtail big rallies and roadshows planned by their rivals. Party chief Mayawati is planning to launch the campaign after ECI notifies the poll schedule.

SP state spokesperson Rajendra Chaudhary said the party was ready to meet any eventuality as it had activated its information technology infrastructure long back. Along with top leaders and office-bearers, senior leaders are interacting with party workers and supporters through the digital medium.

EC reviews law and order, Covid scene in 5 states

EXPRESS NEWS SERVICE @New Delhi

THE Election Commission (EC) on Thursday reviewed the Covid-19 situation and 'law and order' in the five poll-bound states with Union health and home secretaries as it stressed on the need for 100 per cent vaccination of all eligible people in these states.

In a separate meeting with Union Home Secretary Ajay Bhalla, the poll panel discussed the law and order situation in UP, Uttarakhand, Goa, Punjab and Manipur. Elections are due in these states and the poll panel is expected to announce poll dates in the next few days.

Besides Union Health Secretary Rajesh Bhushan, the meeting to assess the Covid situation was attended by AIIMS director Randeep Guleria and ICMR's Balram Bhargava. The panel carried out a complete review of the pandemic status and took inputs from medical experts on "safety measures to be ensured" during the polls.

Candidates can now spend ₹40 lakh in big states, ceiling up for LS poll as well

EXPRESS NEWS SERVICE @New Delhi

POLITICAL parties and candidates can now spend more in campaigning as the Centre hiked the maximum poll expenditure limit from ₹70 lakh to ₹95 lakh and from ₹28 lakh to ₹40 lakh for general and state elections, respectively.

The new expenditure limits for the assembly polls will be applicable to the elections in Uttar Pradesh, Uttarakhand, Punjab, Goa and Manipur. The previous major revision was done in 2014, which was further increased by 10% in 2020.

Following demands to raise existing the ceiling and the increase in electors from 2014 to 2021 from 834 million to 936 million, a senior EC official said the Commission accepted the recommendations of a panel and decided to enhance the limit set for candidates.

For the general elections, the limit was raised to ₹95 lakh for bigger states and to ₹75 lakh, up from ₹54 lakh, for smaller ones. Earlier, the ceiling for bigger states had been increased to ₹77 lakh in an ad-hoc arrangement during the period of Covid pandemic.

When it comes to the Assembly elections, the revised limit for candidates will now be ₹40 lakh for the big states, up from ₹28 lakh, while those in smaller states can now spend a maximum of ₹28 lakh instead of ₹20 lakh.

The revised limits were notified by the Ministry of Law, Justice and Legislative Department.

The Election Commission had earlier formed a committee comprised of Harish Kumar (retd. IRS Officer), Umesh Sinha (Secretary General) and Chandra Bhushan Kumar (Sr. Deputy Election Commissioner) to study the cost factors and other related issues and make suitable recommendations.

The Committee invited suggestions from political parties, Chief Electoral Officers and Election Observers. It found that there has been increase in number of electors and that the cost inflation index had risen from 2014-15 to 2021-22 from 240 to 317 (up by 32.08%). The panel also factored into the changing modes of campaigning, which is gradually shifting to virtual campaign, given the new scenario in the country.

Army gets land at two tourist places in Kashmir

FAYAZ WANI @Srinagar

THE Jammu and Kashmir administration has declared about 1,388 kanal (around 174 acre) of Gulmarg and Sonamarg as "strategic areas" for operational and training requirements of armed forces

The move has evoked criticism from Kashmir-based parties which opposed the move of declaring lands at tourist destinations as "strategic areas" for use by armed forces.

According to an order issued by the J&K Tourism Department, 1034 kanal and 6 marla (around 130 acre) of land in Gulmarg and 354 kanal (44 acre) in Sonamarg on the strategic Srinagar-Leh highway were notified as strategic areas on the request of General Officer Commanding of Army's Srinagar-based 15 Corps.

In July last year, the J&K administration had given its nod to the proposal of amending the Control of Building Operations Act, 1988 and the J&K Development Act, 1970 to provide for special dispensation for carrying out construction activities in strategic areas.

The amendments paved the way for notifying certain areas as "strategic areas" in terms of the requirement of armed forces, and in such areas, the regulation of construction activity shall be through a special dispensation.

PDP chief Mehbooba Mufti claimed the order proved that the Centre was trying to make J&K a military garrison.

'No consensus to permit holding of SAARC Summit'

EXPRESS NEWS SERVICE @New Delhi

INDIA asserted on Thursday. that there was no consensus to hold the SAARC Summit, indicating that it was not in favour of attending the event which Pakistan has offered to host

"We have seen media reports regarding the Pakistan Foreign Minister's remarks about the SAARC summit. You are aware of the background as to why the SAARC summit has not to be held since 2014," MEA spokesperson Arindam Bagchi said. "There has been no material change in the situation since then. Therefore, there is still no consensus that would permit holding of the summit," he added.

Pakistan Foreign Minister Shah Mahmood Qureshi on Monday had made the remarks on the SAARC summit while addressing a news conference in Islamabad. "I reiterate our invitation to all SAARC members and Pakistan is willing to host the 19th SAARC Summit in Islamabad. If India doesn't want to come, they can attend virtually," he had said.

The 19th Summit in Islamabad in November 2016 was called off as New Delhi pulled out after the terrorist strike in Uri. India has been reiterating to Pakistan to act against terrorist groups operating from its soil.

The other reason keeping the things in limbo is the status of Afghanistan, after the Taliban took control of Kabul.

China building bridge over Pangong Lake in illegally held territory: India

MAYANK SINGH @New Delhi

THE bridge being constructed by China to connect the North and South Banks of Pangong Tso is illegal given that the areas are under illegal occupation of Beijing, India said.

"As you are well aware India has never accepted such illegal occupation," MEA spokesperson Arindam Bagchi said. "The government has been monitoring this activity closely. This bridge is being constructed in areas that have been under illegal occupation by China for around 60 years now."

As reported by *TNIE* earlier, China is constructing a bridge roughly 25 km ahead of the LAC on the Chinese side where the gap between the two banks of the lake is around 500 meters. The bridge, as per sources will, reduce the cross country distance, which is at present of approx 200 km, by 150 km. Once complete, China can mobilise its troops from the North bank of the lake to the South Bank swiftly using the bridge.

On the North Bank, one end of the bridge is close to Khurnak Fort, and the other end will bring it closer to the Moldo Garrison which is on the South bank. The Pangong Tso is a 135 km long high altitude (lake with around 45 km falling on the Indian side of the LAC.

India istaking all necessary steps to ensure that our security interests are fully protected, the MEA spokesperson said. "...the government has also, in the last seven years, increased significantly the budget for development of border infrastructure and completed more roads and bridges than ever before. These have provided much needed connectivity to the local population as well as logistical support to armed forces. The government remains committed to this objective."

'BULLI BAI' APP CREATOR ARRESTED IN ASSAM

EXPRESS NEWS SERVICE
@Guwahati/Bhopal/Mumbai/Delhi:

NEERAJ Bishnoi, the alleged key conspirator and creator of Bulli Bai on GitHub and the app's prime Twitter account holder, was arrested by a team of Delhi Police from Assam's Jorhat on Wednesday night.

The 21-year-old, a resident of the upper Assam town, was taken to Delhi by air by Delhi Police on Thursday.

Neeraj is a B.Tech second year computer science (gaming) student at the Vellore Institute of Technology (VIT), Bhopal University located in Kothri Kalan village of Sehore district, Madhya Pradesh. The institute suspended him on Thursday after his involvement in the case was reported in the media.

Jorhat Superintendent of Police Ankur Jain told this newspaper, Neeraj returned to Jorhat on December 25 following the outbreak of the third wave of covid-19 and was doing the classes online from home.

"The Delhi Police had sought our help to locate the accused and shared the details. A joint team of Delhi Police and Assam Police located him last (Wednesday) night at Digambar Chowk of Jorhat," Jain said. "I think he did something wrong before coming to Jorhat. When COVID emerged (third wave), he and the others arrested went to their respective places," the SP said.

It needs to be ascertained if the others arrested are the students of VIT, Bhopal University and if they met one another somewhere else like at a training programme. Delhi Police will look into it, Jain said, adding the police stations in Jorhat have no cases registered against Neeraj. The father of the accused runs a grocery-cum-government PDS shop in Jorhat. He claimed Neeraj is innocent.

Cold winds bring in chill factor, fog blanket to stay

The winter chill is at peak in the city of nawabs which is now gripped in dense layer of fog along with cold winds increasing the impact of sweeping cold wave in this part of the country. Even a few showers here and a few moderate ones there are adding to the charm of the winter chill. Relief is not expected anytime soon with predictions of cloudy skies and a few spells of light rainfall till the weekend. However, the same sheet of fog did not allow sunshine during the day, resulting in a drop in maximum temperature to 18. 5 degrees Celsius, 2.4 units below normal. Weathermen call it western disturbance over the Himalayas and a cyclonic circulation over neighbouring Rajasthan.

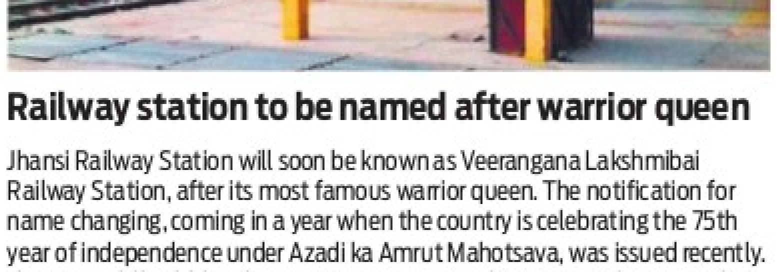
AIMPLB objects to 'Surya Namaskar'

The apex Muslim organisation, All India Muslim Personal Law Board (AIMPLB), has one again objected to Centre's directive to organise 'Surya Namaskar' event in schools across the country to mark the 75-year Amrut Mahotsav country's Independence calling a form of worshiping the Sun whereas Islam only permits worshiping the Almighty. The board said students should be asked to sing the national anthem instead to mark the occasion. In an official statement, board's general secretary Maulana Khalid Saifullah Rahmani, said Muslim students at government schools must not be compelled to participate in the event and advised the Muslims not to take part in the 'Surya Namaskar' drill. The government should instead focus on issues such as unemployment and price rise, the AIMPLB said.



Railway station to be named after warrior queen

Jhansi Railway Station will soon be known as Veerangana Lakshmibai Railway Station, after its most famous warrior queen. The notification for name changing, coming in a year when the country is celebrating the 75th year of independence under Azadi ka Amrut Mahotsava, was issued recently. Jhansi would be fifth railway station in UP to undergo name change. Earlier, Mughalsarai railway station has been renamed after BJP ideologue Pundit Deen Dayal Upadhyaya Railway Station, Similarly, Faizabad Raiway station has become Ayodhya, Allahabad had become Prayagraj railway station and Maduadih railway station of Varanasi is now known as Benaras station.

Govt website back with poet's original name

After clamour over alleged mischief by some cyber savvy miscreants who changed the pen name of well-known poet Akbar 'Allahabadi' to 'Prayagraji' on a website, officials rushed to restore the original name of the legendary poet and other literary figures belonging to the Sangam city. Besides Akbar 'Allahabadi', the names of two other literary figures – Tegh 'Allahabadi' and Rashid 'Allahabadi' – were also corrected. The website, while referring to poets and writers from Prayagraj, had said, "Besides Hindi literature, Persian and Urdu literature are also studied in the city. Akbar 'Prayagraji' is a noted modern Urdu poet..."

SHOCK IN KAZAKHSTAN AS SLEEPY NATION ERUPTS INTO FATAL VIOLENCE

Dozens killed after protests over hike in fuel prices escalated into full-blown fighting

ALMATY

Burnt cars in a parking area in central Almaty; (R) Russian paratroopers board a military cargo plane to depart to Kazakhstan as a peacekeeping force at the Chkalovsky airport, outside Moscow, on Thursday | AFP

BURNT-OUT cars littering the streets, government buildings in ruins, bullet casings on the ground — residents of Kazakhstan's largest city, Almaty, were in shock on Thursday after their sleepy nation suddenly erupted into violence.

With dozens of protesters and up to 18 (as per latest reports) security officers dead after the stir over hikes in fuel prices escalated into full-blown fighting, the people of Almaty were struggling to come to terms with the Central Asian country's worst crisis in years.

Protesters had stormed and set alight government buildings including the mayor's office and a presidential residence.

Saule, a 58-year-old construction worker who took part in the protests, said she was stunned when security forces opened fire on demonstrators. "We saw the deaths," she said. "Straight away about 10 were killed." Overnight, social media was inundated with videos of machinegun fire and people screaming in fear as authorities launched what they called "anti-terrorist" operations. By the afternoon on Thursday, the official death toll stood at 13 security officers — including two who were allegedly decapitated — and "dozens" of protesters.

People were walking around in a daze at the presidential residence on Thursday afternoon, taking pictures and shooting videos of splatterings of blood and discarded bullets scattered across the leafy complex. "I didn't know that our people could be so terrifying," said Samal, a 29-year-old nursery school teacher.

Energy-rich Kazakhstan was long seen as one of the most stable of the ex-Soviet republics of Central Asia. The country was ruled with an iron fist since 1989 by Nursultan Nazarbayev, who in 2019 stepped away but appointed a loyalist successor in President Kassym-Jomart Tokayev.

Tokayev promised reforms, but the country saw little change and remained staunchly authoritarian, with Nazarbayev, 81, still seen as in charge behind the scenes. Discontent was bubbling beneath the surface, protesters said.

Critics see Nazarbayev as having fostered rampant corruption, enriching himself and his family who boast lavish residences abroad. "Our Kazakhstan has been turned into a private company of the Nazarbayevs," Saule said, adding that protesters had only wanted to "overthrow corruption". AFP

Tokyo sees heavy snowfall in 4 years

Tokyo: Snow blanketed Tokyo in Japan on Thursday as hours of flurries forced the cancellation of over 100 domestic flights and the weather agency issued the city's first heavy snow warning in four years. Residents held umbrellas and pushed their bicycles as large snowflakes began to settle, with the Japan Meteorological Agency saying up to 10 cm could fall over a 12-hour period. The JMA issued a heavy snow alert for the Tokyo area for the first time since 2018. AFP

Reliance Retail picks 25.8% stake in Dunzo

The retail giant invests $200 m; aims to make Dunzo largest quick commerce biz and expand its delivery network

QUICK COMMERCE

Existing investors Lightbox, Lightrock, 3L Capital and Alteria Caxpital also participated in a **$240-million** funding round in Dunzo

Dunzo is also backed by Google, Blume Ventures, Aspada Investments, and STIC Ventures

Tie up will enable **hyper-local logistics** for the retail stores operated by **Reliance Retail**

New partnership will also facilitate **last mile deliveries** for JioMart's merchant network

UMA KANNAN @ Bengaluru

RELIANCE Retail will enter the burgeoning quick commerce space with an investment of $200 million in Dunzo. It will own 25.8% stake in the quick commerce company.

The largest retailer led a $240 million funding round in Dunzo, with participation from existing investors Lightbox, Lightrock, 3L Capital and Alteria Capital.

The capital will be used to further Dunzo's vision to be the largest quick commerce business in the country while also expanding its B2B business, Reliance Retail said in a statement on Thursday.

According to a RedSeer report, quick commerce has an addressable market opportunity of $50 billion in India.

Dunzo is the earliest entrant in the category and it competes with Zomato-backed Blinkit (formerly Grofers), Zepto and Swiggy's Instamart. Besides, Amazon, Walmart-backed Flipkart and BigBasket are also showing keen interest in this category.

Dunzo is backed by Google, Blume Ventures, Aspada Investments, Lightrock, LightBox Ventures, STIC Ventures, Alteria and 3L Capital.

Dunzo and Reliance Retail will also enter into certain business partnerships. Dunzo will enable hyper-local logistics for the retail stores operated by Reliance Retail, further adding onto Reliance Retail's omni-channel capabilities. Dunzo will also facilitate last mile deliveries for JioMart's merchant network.

Isha Ambani, Director, Reliance Retail Ventures Limited, said, "Through our partnership with Dunzo, we will be able to provide increased convenience to Reliance Retail's consumers and differentiated customer experience through rapid delivery of products from Reliance Retail stores."

In grocery consumption basket, Reliance Retail operates Reliance Fresh, Shree Kannan Departmental stores, SMART and Smart Point store formats. With net profit of ₹1,695 crore and consolidated gross revenue of ₹45,426 crore in the second quarter of this fiscal, Reliance Retail, a subsidiary of Reliance Industries, operates 12,711 stores across 7,000 cities. It also has a strong presence in digital commerce channels through AJIO.com.

Dunzo is available across 7 metro cities in India and the additional capital will be used to expand to 15 cities.

RIL raises $4 bn in dollar bonds; issue subscribed 3 times

ENS ECONOMIC BUREAU @ New Delhi

MUKESH Ambani-owned Reliance Industries Ltd (RIL) has raised $4 billion long-term debt through US dollar (unsecured) bonds in three tranches to refinance its existing debt.

The company in a statement on Thursday said that its debt papers have been subscribed nearly three times with a peak orderbook of $11.5 billion. The company claims that it is one of the largest ever foreign currency bond issuance from India at one of the lowest rates for 30-year and 40-year debt papers.

The company also claims that this is the first ever 40-year tranche by a BBB private sector corporate from Asia (ex-Japan). Reliance is raising $1.5 billion through 10-year bonds at 2.875%, $1.75 billion through 30-year bonds at 3.625% and another $750 million through a 40-year bonds paper at 3.750%. All the issues will be unsecured bonds

The bond issues have been rated BBB+ by S&P and Baa2 by Moody's, which are a notch above India's sovereign bond rating.

According to the company, bonds received orders from over 200 accounts in Asia, Europe and the US — 53% in Asia, 14% in Europe and 33% in the US. The bonds were distributed to high quality fixed income accounts — 69% to fund managers, 24% to insurance companies, 5% to banks and 2% to public institutions.

In a statement, joint chief financial officer of RIL Srikanth Venkatachari said: "The support received from the marquee international capital market investors is reflective of the strength of our underlying businesses with established growth platforms across energy, consumer and technology as well as robustness of our balance sheet."

Reliance had an outstanding debt of ₹2.55 lakh crore at the end of Sept 2021 quarter. Moody's says its ratings reflect the company's large-scale and dominant market position across its diverse businesses.

Third Covid wave likely to curtail GDP growth by 50-100 bps: Rating agencies

ENS ECONOMIC BUREAU @New Delhi

Modest downward risk to GDP growth

Though rating agency ICRA feels that the impact of an Omicron wave may be limited to one quarter, it feels that there continues to be a lot of uncertainty around this. It, therefore, sees a modest downward risk to the full-year GDP growth rate

THE current wave of Covid-19 may slow down the economic activities in the fourth quarter further impacting the overall GDP growth in the financial year 2021-22.

Several rating agencies and analysts have already revised downwards the GDP growth in the current financial year by 50-100 basis points as daily new Covid cases touch the 100,000 mark in India.

Brickwork Rating in a statement on Thursday said that it is revising the GDP estimates for the current fiscal to 8.5%-9% as against its earlier estimate of 10%. India Ratings has also revised the GDP growth rate downwards by 10 basis points from 9.4% to 9.3%. Rating agency ICRA also sees 'a modest downside' to its forecast of FY22 GDP growth of 9.0%.

Brickwork Rating says that the fresh restrictions to contain the virus spread may further dampen the recovery in contact-intensive sectors, and supply disruptions and the shortage of semiconductors may continue to adversely impact the manufacturing sector output.

"The latest data on the manufacturing and services Purchasing Managers Index (PMI) also signals a slowdown in December with the Composite PMI output index falling to 56.4 from 59.2 in November 2021. The slowdown in eight core sectors' growth in November at 3.1%, which is the lowest in the current fiscal, and IIP growth at 3.2% for October 2021, also does not infuse much confidence," says the rating agency in a statement.

India Ratings says GDP growth in the fourth quarter will now come in at 5.7%, 40 basis points lower than the agency's earlier estimate of 6.1%. For the entire financial year it expects the GDP to clock a growth rate of 9.3%, 10bp lower than its earlier estimate of 9.4%.

"Curbs in various forms such as reducing the capacity of market/market complexes and night/weekend curfews to check human mobility/contact have already started in several states which are impacting economic activities," it says..

Bharti's lower churn and strong network capability also leaves room for a potentially healthy EBITDA increase. The significant reduction in the data allowance across price plans leaves limited possibility for downtrading. We expect 24% CAGR in consolidated EBITDA over FY21-24E on the back of 31% CAGR in Mobile India EBITDA, aided by ARPU growth as a result of the tariff hike.

₹12,031 cr for 2nd phase of green energy corridor

ENS ECONOMIC BUREAU @New Delhi

IN a bid to achieve the target of 450 GW installed renewable energy capacity by 2030, the government on Thursday approved the second phase of green energy corridor with an outlay of ₹12,031 crore.

The scheme will facilitate grid integration and power evacuation of approximately 20 GW of renewable energy (RE) power projects in seven states- Gujarat, Himachal Pradesh, Karnataka, Kerala, Rajasthan, Tamil Nadu and Uttar Pradesh.

"The Cabinet Committee on Economic Affairs, chaired by the Prime Minister, Narendra Modi, today approved the scheme on Green Energy Corridor (GEC) Phase-II for Intra-State Transmission System (InSTS) for addition of approximately 10,750 circuit kilometres (ckm) of transmission lines and approx. 27,500 Mega Volt-Amperes (MVA) transformation capacity of substations," said the power ministry in a statement.

The government said the project is targeted to be set up with total estimated cost of ₹12,031.33 crore and Central Financial Assistance (CFA) at 33 % of the project cost i.e. ₹3,970.34 crore. Under the scheme, the transmission systems will be created over a period of five year from financial year 2021-22 to 2025-26.

"The Central Financial Assistance (CFA) will help in offsetting the intra-state transmission charges and thus keep the power costs down. Thus, the government support will ultimately benefit the end users - the citizens of India," said the statement.

CAPEX OF POWER CPSES RISES 47% TO ₹40K CR

ENS ECONOMIC BUREAU @New Delhi

Meets 80% target

The CPSEs have also collectively met 80% of the capex target of FY22, i.e. `50,690.52 crore. The top performers include PowerGrid, SJVN, NTPC, and THDC.

THE power ministry on Thursday said that CPSEs under it have incurred capital expenditure (capex) of ₹40,395.34 crore during April-December 2021. It is 47% higher than the expenditure incurred during the corresponding period of FY21. Thus, the capex performance of the ministry is significantly better compared to the previous year.

"CPSEs under the Ministry of Power have incurred capital expenditure (capex) of ₹40,395.34 crore till the month of December during FY22. This is 47% higher than the expenditure incurred during the corresponding period of FY21," said the power ministry. The CPSEs have also collectively met 80% of the capex target of FY22, i.e. ₹50,690.52 cr. The top performers include PowerGrid (90.6%), SJVN (90.19%), NTPC (86.5%), and THDC (85.38%).

Uncertainty looms over hotel, aviation industry amid Omicron surge

ENS ECONOMIC BUREAU @New Delhi

HOTELIERS and airlines are staring at uncertain times as Covid-19 cases, especially that of Omicron variant, continue to surge in India at a record pace. While hotels are witnessing cancellations in January bookings and declining enquiries for the next few weeks, airlines have seen significant fall in passenger traffic.

"With the emergence of the Omicron variant and sharp rise in infections, several states have imposed partial lockdowns. This will curtail travel over the next few weeks. We are witnessing cancellations and hotel enquiries have dropped. A month of complete lockdown will impact FY22 Pan-India occupancy by 4 percentage points," said Vinutaa S, Assistant Vice President and Sector Head, ICRA.

According to the Federation of Hotel & Restaurant Associations of India (FHRAI), booking cancellations for Christmas and New Year celebrations, along with those of weddings and planned events have so far resulted in a loss of around ₹200 crore in the industry.

"From 25th (December) onwards, there has been a drastic plummeting of the rates and occupancies in city hotels which are back to the pandemic levels of 10 - 15% occupancy and rates have also crashed," said FHRAI Joint Honorary Secretary Pradeep Shetty.

On Jan 4, daily domestic air passenger traffic fell below 3 lakh levels for the first time since Nov '21 and on Jan 5 it fell further to 2.58 lakh, a drop of over 1 lakh when compared to passenger movement few weeks back. According to data, the average number of daily passengers from Dec 1 to 20 was over 3.60 lakh.

According to analysts at Centrum Broking, domestic passenger traffic is likely to have grown by 63% QoQ to 30.7 million in Q3FY22, but the pace of recovery moderated in Dec-21. Recovery in the coming months hinges on the impact which Covid's 3rd wave has on travel.

New FDI policy to push LIC disinvestment

New Delhi: The commerce and industry ministry is making changes in the foreign direct investment (FDI) policy to facilitate disinvestment of the country's largest insurer LIC, after taking views from the finance ministry, Anurag Jain, secretary in the Department for Promotion of Industry and Internal Trade (DPIIT), said.

States get ₹9,871 cr revenue deficit grant

New Delhi: The finance ministry on Thursday released monthly revenue deficit grant to 17 states totalling `9,871 crore. So far, `98,710 crore has been released to 17 states as post devolution revenue deficit grant in the current financial year. "This was the 10th instalment of the PDRD grant," the ministry said.

Markets slide; Paytm hits a new low

ENS ECONOMIC BUREAU @New Delhi

INDIA'S equity market snapped its four days of winning streak as benchmark indices — Sensex and Nifty — shed over 1% on Thursday, in line with the trend in global peers after the Federal Open Market Committee (FOMC) meet signalled a sooner-than-expected rate hikes.

A record growth in Covid-19 cases, especially of the Omicron variant, also hampered investors' sentiment. The Sensex fell 621.31 points to close the Thursday session at 59,601.84, while Nifty declined 179.40 points to 17,745.90.

" Bulls were a bit restrained on the back of rising Covid cases and its impact on the fourth quarter corporate performance since it happens to be an important quarter for India Inc," said S Ranganathan, Head of Research at LKP securities.

Most sectoral indices ended lower, with IT and realty indices down over 1% each. Select bank and auto index witnessed some buying interest.

Meanwhile, Paytm stock hit an all-time-low on Thursday even as global brokerage JP Morgan gave it a buy rating. The share hit ₹1,250 and closed 2.70% lower at ₹1,252.

Gaurav Garg, Head of Research, CapitalVia Global Research, said he sees an opportunity to accumulate Paytm in range of ₹1,000-1,080... and on Thursday, "percentage of deliverable quantity to traded quantity was close to 48%. Hence, we might see a pull back towards ₹1,400-1,450".

COAI to begin pilot deployment of 5G small cells

ENS ECONOMIC BUREAU @ New Delhi

Telecom Regulatory Authority of India (TRAI) on Thursday urged Cellular Operators Association of India to carry out a pilot project for the deployment of small cells in the country to check call drop or network congestion issue after rolling out 5G network. While addressing COAI, Chairman of TRAI PD Vaghela asked COAI to form a team from its members and carry out four pilot projects one each covering a port, airport, metro line and a congested city area.

A small cell is an umbrella term used to describe a miniature radio access point (AP) or wireless network base station that enhances cellular network coverage and capacity in areas. In a simple term, a small cell is a 5G tower, and has the same characteristics of the classic base stations.

On its part, COAI on Thursday informed that it, along with GSMA, had conducted a survey of stakeholder companies in India to examine the challenges to improve small deployment in the country. After the survey, it had made 14 suggestions ranging from simplifying procedures for small deployment to granting easy access to street furniture, to updating and ensuring uniform implementation of the 2016 Right of Way Rules.

Loan guarantee scheme saved 13.5L MSMEs, 1.5 cr jobs: SBI

ENS ECONOMIC BUREAU @ New Delhi

THE Emergency Credit Line Guarantee Scheme (ECLGS) has helped save almost 13.5 lakh units and 1.5 crore jobs in the micro, small, and medium enterprise (MSME) sector, a report by State Bank of India on Thursday showed.

In absolute terms, MSME loan accounts worth ₹1.8 lakh crore were saved from slipping into NPA. "This means that around 14% of the outstanding MSME credit (including 2% of restructured) has been saved from slipping into NPA because of the ECLG scheme," said S K Ghosh, SBI's group chief economic advisor in the report.

Of the 13.5 lakh MSME accounts that are saved, almost 93.7% are in micro and small category, 48% belong to the micro category and nearly 46% are the small borrowers. The remaining 6% belong to the medium category, according to SBI Research.

In May 2020, the government launched the ECLGS scheme for MSME sector to provide relief to the sector amidst the Covid-19 pandemic and since then the government has extended the scheme to cover various industries (till now four extended versions of ECLG scheme have come out).

Under the ECLGS scheme, MSMEs get up to 20% of the borrower's total outstanding credit and up to ₹25 crore is guaranteed by the government.

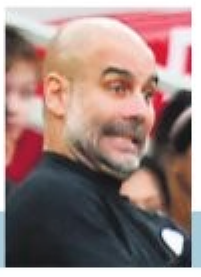
Covid outbreak at City; 4 Serie A games postponed



A coronavirus outbreak at Manchester City put manager Pep Guardiola and seven players in isolation while four Serie A teams were ordered into quarantine and unable to play matches on Thursday. City indicated it still plans to play its FA Cup match on Friday against Swindon with assistant coach Rodolfo Borrell stepping in after Guardiola tested positive.

Visitors lose their way in overcast conditions as hosts wander to seven-wicket victory

SWAROOP SWAMINATHAN
@Chennai

THE most important thing for an elite sports team at the beginning of a developmental curve is to create good memories. When you create that, winning becomes a habit. Even if you are chasing a lost cause, previous memories tend to act like a guardian angel. When you know what you are capable of, belief is never in short supply. In the beginning of 2018, Virat Kohli & Co got that belief imbibed into them at the Wanderers. On a devilish surface, a young team (in terms of caps) put one over South Africa. That win acted as the blueprint for future overseas tours to Australia (2018-19, 2020-21), England (2021) and West Indies (2019).

On Thursday, it was the turn of a youngish South African side (in terms of caps), led admirably by Dean Elgar, one of only four players to have played for the hosts in that Test in 2018, to create their first good memory at a venue they had never won against India before Thursday (played six, won one). What was thrilling to watch was the manner in which they went about creating it. The visitors where so frustrated by what was unfolding they were ready to start an argument in an empty room at various points during play.

South Africa skipper Dean Elgar (2nd L) was adjudged Player of the Match for his unbeaten 96 that paved way for hosts' win | AFP

To be honest, the visitors contributed to their own downfall under overcast conditions. On a pitch that was conducive for pace bowling, Rassie van der Dussen and Elgar raced along at five runs per over in the first hour of play.

It must also be said that there were a few puzzling bowling choices. On a pitch that was covered for a substantial part of Thursday, India opened with Ravichandran Ashwin from one end. Even if it was just for two overs, it didn't seem right. They also delayed in bringing Mohammed Shami — at the end he was massaging his shoulders after a continuous eight-over spell — and Shardul Thakur.

By the time the match was done, Elgar, fittingly, hit the winning runs, flicking Ashwin for a boundary through midwicket to finish on 96, all life had been lost from an attack that's usually full of life. How did the hosts do it? Punishing the 'hit me' balls. In all, the Proteas hit at least two boundaries in an over four times on Thursday alone.

When you are chasing a smallish target (122 when they began Day Four) with wickets in the bank, boundaries that arrive in a cluster always help. It also didn't help the bowlers as a wet outfield meant the ball became a touch soft.

The match though, from an Indian perspective, was lost on the first day. After winning the toss, they could have perhaps put on more than 250 on the board. Rahul said as much in the post match presentation. There could also be several changes.

With Siraj still not a 100 per cent, they could likely bring in either Ishant Sharma or Umesh Yadav. If Kohli is deemed fit, that will be another change that the team will make. All in all, Cape Town is sort of a make-or-break for a team that prides itself in winning tough matches away from home.

Over 20 Covid cases in SAI Bengaluru

INDRANEEL DAS @Chennai

PATIALA is not the only centre affected. Though mild, covid cases have surfaced in National Centre of Excellence in Bengaluru too. There are multiple cases, around 23 in Bengaluru, including national campers both junior and senior in athletics. There are at least six elite athletes who returned Covid positive during routine testing while two hockey players also joined the list.

The middle and long-distance and horizontal jump athletes, the two hockey teams -- men and women -- are training at the centre, which is near Bangalore University. Since there are no immediate national or international events, the athletics camp is not overly worried.

However, according to the SAI officials, everything is under control. Immediate action was taken with close contacts isolated, indoor facilities shut for sanitisation and all other precautions taken as per local administration and SAI SOP. Training has been suspended for all those who were in close contact with infected athletes. Athletics track and gym are shut at least until Monday.

Shikha, Jemimah dropped for women's ODI World Cup

GOMESH S @Chennai

PICKING a World Cup squad is always tricky. On Thursday when the BCCI announced their Mithali Raj-led squad — a mix of experience and youth — for the New Zealand tour and the 2022 ODI World Cup, few names seemed baffling.

Let's talk about the team first. Smriti Mandhana, Shafali Verma will open the batting. Yastika Bhatia, Raj, and Harmanpreet Kaur will fill the middle-order followed by Richa Ghosh, Pooja Vastrakar and either of Sneh Rana and Deepti Sharma playing the spin bowling all-rounder role. Meghna Singh, Jhulan Goswami and Rajeshwari Gayakwad likely to make up the bowling, with Poonam Yadav, Renuka Singh Thakur and Taniya Bhatia (wicketkeeper) as backups. S Meghana, Ekta Bisht and Simran Dil Bahadur are in standby reserves per ICC protocols.

Apart from the likely eleven, India have an uncapped pacer, a specialist spinner, wicket-keeper and a spinner who can bat to pick from. If the openers or a specialist batter gets injured or goes out of form, they will have to shuffle the combinations or make do with Taniya/Rana at the top. In many ways, this conundrum seems similar to that the Indian men had before the 2019 World Cup.

The bigger question, though, was the omission of Jemimah Rodrigues and Shikha Pandey.

Djokovic in 'detention' hotel after visa nullified

AFP @Melbourne

TENNIS world No 1 Novak Djokovic won a temporary reprieve in his deportation from Australia on Thursday, but is set to spend the night in an immigration detention facility as he fights to remain in the country. The vaccine-sceptic Serb was detained at Melbourne's Tullamarine Airport having failed to "provide appropriate evidence" of double vaccination, or a medical exemption needed to enter the country.

Djokovic had jetted into Australia on Wednesday hoping to defend his Australian Open crown and to bid for an unprecedented 21st Grand Slam title. Instead of a conquering champion's welcome, he was questioned at the airport overnight before having his visa revoked and being transferred to a Melbourne immigration detention facility pending deportation. After an emergency online court appeal, a judge ordered that the controversial star would not be removed from Australia before Monday, when a final hearing is scheduled to begin. With scarcely 10 days before the tournament, it remains far from clear that Djokovic will be able to play, even if he wins in court.

On the other hand, Serbian president Aleksandar Vucic on Thursday claimed that Djokovic is a victim of a 'political witch hunt' as fans in Belgrade rallied in support of the embattled tennis star.

FCBU clinch Super Division title

ENS @ Bengaluru

FC Bengaluru United (FCBU) were confirmed as the champions of the BDFA Super Division League, winning the prestigious trophy for the second year in a row. They clinched the title after ASC & Centre and Kickstart FC were involved in a 3-3 draw on Thursday.

The latter had to win their last two games of the season to keep their title hopes alive, but their latest result meant they would not be able to outscore FCBU, who have 40 points. Kickstart ,who have one game left to play, are on 34. FCBU remained unbeaten throughout the season, stacking up 13 wins and one draw.

UP emerges as the new investment hub

Yogi government's zero-tolerance policy towards criminals, mafias and corruption has helped attract domestic and foreign investors who have brought investments worth trillions of rupees.

Prime Minister Narendra Modi has set an ambitious target of making India's economy a $5 trillion economy. In order to contribute in achieving this goal, UP Chief Minister Yogi Adityanath has set a target to increase the size of the economy of Uttar Pradesh to one trillion dollars. For this, he has not only started laying a network of connectivity and infrastructure in the state, but has taken strict action against criminals, corruption and mafias with a zero-tolerance policy. As a result of these steps, investment proposals worth 4.68 lakh crore were received in the Investors' Summit 2018. More domestic and foreign investments have followed up and resultantly the Gross State Domestic Product (GSDP) of Uttar Pradesh has risen to second highest place in the country in FY 2020-21.

Expansion of connectivity and infrastructure

The Chief Minister's zero-tolerance policy against crimes, improvement in law and order as well as introduction of industry-friendly policies have collectively resulted in record investments in the state. Intensive efforts of Yogi Adityanath to create world-class infrastructure like expressways, airports, and other communication and transport facilities have transformed UP in the last five years. Uttar Pradesh has become the state with maximum length of expressways. Also, effective policies have made it one of the leading states in the Ease of Doing Business. The state was at 14th position in the Ease of Doing Business rankings in 2016. However, it secured second position in 2019.

Investments is new sectors

Defence, data services and Aerospace have emerged as new sectors of investment in UP. The foundation stone of BrahMos Missile Production Center in Lucknow has been laid. Connectivity revolution has ensured growth and expansion of software industry in tier-2 and tier-3 cities. MSME units have given employment to more people in Uttar Pradesh than in any other state. The performance of the state has also been excellent in the Prime Minister's Employment Programme Scheme (PMEGP). Yogi government coordinated with banks to provide loans to more than 55 lakh MSME units which have given employment to more than 1.5 crore people. Sum impact of all this is that Uttar Pradesh is now moving rapidly towards becoming a trillion-dollar-economy.

Real investments change the picture

It is important to note that investment summits organized in the past and even those organized by other states never proved to be such a success. Converting the MoUs signed at these summits into ground reality has always been an issue due to various systemic bottlenecks. That is why the Chief Minister Yogi Adityanath first of all took steps to remove bottlenecks in the investment process. This ensured a very high conversion rate in case of the MoUs signed at the UP Investors' Summit, 2018. More than two thirds of the MoUs worth Rs. 4.68 lakh crore have turned into real investments. Total sum of these investments on ground is approximately worth Rs 3 lakh crore.

Competition among foreign companies

Most surprising was the fact that Uttar Pradesh continued to receive investments even when the entire world economy was at a standstill due to the COVID-19 pandemic. Investment proposals of about Rs. 66,000 crore came in from companies of more than 10 countries. American, British, German and South Korean companies that have invested here include Von Vellx, Mac Software, Acagrata Inc., Samsung, Britannia, AB Maurie, Dixon Technologies, Surya Global, Flexi Films, Edison Motors and Yazaki. It is the result of Yogi Adityanath's prudent policies that the size of the economy of Uttar Pradesh, ie GSDP, has increased from Rs 10.09 lakh crore to Rs 21.73 lakh crore. The state's budget for the FY 2021 was of Rs 5.5 lakh crore.

Investment Process simplified

In the last 5 years, Uttar Pradesh has emerged as a new hub of industrial investments. Industries like defence, aerospace, warehousing, logistics, data centres, electric vehicles and pharmaceuticals have emerged as new sectors of investment here. All this has been possible due to the foresight of Chief Minister Yogi Adityanath, who has taken many steps in this direction. Under his dynamic leadership, industrial policy was revamped to suit industries. Sector-specific policies were formulated to attract companies in electronics, manufacturing, food processing, dairy, textile, tourism, film, solar energy and biofuel sectors. An investment of Rs 50,000 crore is proposed in the Defence Industrial Corridor.

New manufacturing hub

With the aim of attracting industries, the Yogi government removed many obstacles in setting up enterprises. Yogi government's quick investment promotion policy has played an important role in this regard. The State Government had implemented the New Industrial Investment and Employment Promotion Policy 2017, which has made the investment process simple and attractive. Following the Prime Minister's 'Make in India' campaign to promote manufacturing, Uttar Pradesh Chief Minister Yogi Adityanath encouraged 'Make in UP'. For this, the policies were implemented in a transparent manner. Nivesh Mitra Portal was started to remove bottlenecks faced by the industries.

Five international airports, four expressways

Chief Minister Yogi Adityanath knows that strong infrastructure is the first pre-requisite for industrial investments. Therefore, after becoming the Chief Minister, he paid immediate attention to it. The state has made a lot of progress in the last 5 years in terms of highways, expressway and air connectivity. Amongst the outstanding results of these efforts are the international airport at Kushinagar and the Purvanchal expressway. Both facilities were inaugurated by the Prime Minister Narendra Modi recently. Currently, there are nine functional airports in the state and construction work is in progress on 12 others. Of the 9 operational airports, three are international. Construction of Maryada Purushottam Shri Ram International Airport in Ayodhya is progressing rapidly.

In the inauguration ceremony for the Kushinagar International Airport on 20 October, 2021, Chief Minister Yogi Adityanath said that this airport would connect Buddha Circuit sites in the state and make it easy for tourists to reach there. Apart from the Buddha Circuit, the Kushinagar airport will also be beneficial to the people and industries in the eastern part of the state, western Bihar and neighbouring Nepal.

Most important, however, amongst the airports coming up in Uttar Pradesh is the Noida International Airport located at Jewar. Prime Minister Narendra Modi laid its foundation stone on 25 November, 2021. This airport will not only be the largest in Asia, but will also be the fourth largest airport in the world. It will have a capacity of 1.25 crore passengers annually. With the commissioning of Ayodhya and Jewar airports, Uttar Pradesh will become the first state to have five international airports.

The network of 21 airports and airstrips coming up in the state will cover the entire state. This will increase the income of the people in the entire state as they will get employment opportunities resulting in economic prosperity and improved standard of living. Such a situation will also be helpful in stopping people's migration from villages and towns to metros.

During the tenure of Yogi Adityanath, development of roads, particularly expressways, has reached such a level that the Prime Minister Narendra Modi once termed it as the 'Express Pradesh'.. The state government got constructed the 341-km-long Purvanchal Expressway from Lucknow to Ghazipur in a very short period. Apart from this, the construction of Bundelkhand Expressway is in the final stage. It is 296.07 kilometres long. The construction work of Gorakhpur Link Expressway is also going on in full swing. Its length is 91.352 kilometres. Apart from this, construction of 594-km-long Ganga Expressway has also started.

In terms of infrastructure, it is also important that Dadri is the junction point of Eastern Dedicated Freight Corridor (EDFC) and Western Dedicated Freight Corridor (WDFC) in the state. These corridors will facilitate exports from places like Gautam Budh Nagar, Aligarh, Meerut, Bulandshahr, Kanpur, Etawah, Kannauj and Prayagraj. The Bhaupur to Khurja section of the EDFC has become operational. These infrastructure projects will increase the capacity of various industrial centres in Uttar Pradesh. Defence Industrial Corridor has also been established in the state. This will not only lead to production of defence equipment, but will also encourage their export.

Government fulfils the poors' dreams of own house

More than 45 lakh houses given under the PM Awas Yojana and CM Awas Yojana, benefiting around 2.25 crore people

The Yogi Adityanath government of Uttar Pradesh is playing a big role in fulfilling the Prime Minister's dream that every citizen of the country should have his own house. Under Pradhan Mantri Awas Yojana and Chief Minister Awas Yojana, pucca houses have been provided to more than 45 lakh citizens in the state. If on an average 5 members are added to a family, then the scheme has so far benefitted nearly 2.25 crore people. It is worth mentioning that Prime Minister Narendra Modi had launched the PM Awas Yojana (Rural) from Agra district. In the implementation of this very ambitious housing scheme, Uttar Pradesh has created new records during the last five years. Prime Minister Narendra Modi had said, “When basic facilities are available, then the courage to dream big and the spirit to fulfil dreams is born. The confidence of the poor and homeless people increases manifold when they are provided with pucca houses with basic amenities like toilet, electricity connection, gas connection and tap water.

Chief Minister Yogi Adityanath said, “Prime Minister Narendra Modi's dream of 'Har Garib Ka Ghar Ho Apna' is coming true in Uttar Pradesh. In Uttar Pradesh, more than 45 lakh beneficiaries have got housing facilities in rural and urban areas during four and a half years. In 2019, Uttar Pradesh got the first prize in the country for the best performance under the Pradhan Mantri Awas Yojana. Mirzapur got the first position in the country for its excellent performance in the Nagar Palika Parishad category. Similarly, in the Nagar Panchayat category, Malihabad got the first and Hariharpur got the third position.

Some citizens of the weaker section of the society in the state were deprived of the benefits of Pradhan Mantri Awas Yojana. Mukhyamantri Awas Yojana-Gramin was implemented on the initiative of Chief Minister Yogi Adityanath to provide housing to such deserving yet left out people. So far more than 1.08 lakh families have been benefited under this scheme.

Mukhya Mantri Awas Yojana-Rural

This scheme was launched in 2018-19. Under this scheme, homeless people of Vantangia and Musahar communities and many families living in kutcha and dilapidated houses have been provided pucca houses. Fulfilling the Prime Minister's dream of 'Sabka Saath Sabka Vikas', the Yogi Adityanath government has also extended the benefit of Mukhyamantri Awas Yojana-Gramin to the families affected by natural calamities, Kala-azar and leprosy in various districts of the state.

Under this scheme, pucca houses were provided to more than 50,000 families during the financial years 2018-19 and 2019-20. Of these, 28,295 are Musahar and 4,602 Vantangia families. 2,115 people affected by leprosy have also been given pucca houses by the state government. Under the Mukhyamantri Awas Yojana-Gramin, the first installment for the house was transferred online to 21,562 beneficiaries in the financial year 2020-21. Of these, 10,555 families were affected by the natural calamity. Apart from these, there were 877 families affected by leprosy, 9,817 belonging to Musahar community and 177 Vantangiya families.

Beneficiaries of the Mukhyamantri Awas Yojana say that they have got ration card, voter card, toilet, free electricity connection, cooking gas connection and free ration facility for the first time. Many of them asserted that a pucca house with electric connection used to be only a dream but it has become a tangible reality under the Yogi government. This government is also making Antyodaya Ration Card, MNREGA Job Card, Jan Dhan Bank Account and Voter Cards for these families.

It may be recalled that the Yogi Adityanath government has given the status of revenue villages to 38 anonymous forest settlements. This move of the state government led to residents of these villages becoming eligible for a pucca house and other benefits. The government has set a target to provide pucca houses to all those eligible for benefits under the Mukhya Mantri Awas Yojana-Rural. The state government is moving quickly in this direction. Recently, 5.50 lakh rural poor's dreams of their own house were simultaneously fulfilled in the state. Chief Minister Yogi Adityanath handed over to the beneficiaries the keys of these houses built at a cost of Rs. 6637.72 crore. Unique feature of this exercise was that the ownership of 70 percent of these houses has been given to women. This is also a step taken towards women empowerment.

Under the Mukhya Mantri Awas Yojana-Rural, families are given a pucca house built in 25 square meters. The construction cost of such houses is around Rs 1.2 lakh. These houses are allotted in the joint name of the eldest woman of the family or husband and wife. In this, priority is given to landless families. These families are also provided with free electricity and cooking gas connection. Under the Swachh Bharat Mission, an additional amount of Rs 12,000 is provided for the construction of toilets for these families.

Other facilities to housing beneficiaries

The Yogi government had set a target of constructing four lakh affordable houses under partnership mode in FY 2021. A provision of Rs 369 crore had been made under the Mukhya Mantri Awas Yojana-Rural. There is a provision of Rs 10,029 crore under Pradhan Mantri Awas Yojana-Urban and Rs 7,000 crore for Pradhan Mantri Awas Yojana-Rural. The government is also working to provide additional benefits to the beneficiaries of housing schemes both rural and urban areas. Under this, the beneficiaries are given benefits of the Ujjwala Yojana, Saubhagya Yojana, Ayushman Bharat Yojana, ration cards, old age pension and toilet construction etc.

Simultaneous house warming for 5.5 lakh beneficiaries

ानमंत्री आवास योजना (ग्रामीण)

As many as 5.5 lakh beneficiaries of the Pradhan Mantri Awas Yojana and Mukhya Mantri Awas Yojana-Rural, were simultaneously handed over the keys of their houses on September 1, 2021. The cost of these houses was Rs 6,637.72 crore. Prior to that, on August 30, 2021, an amount of Rs 1,341.17 crore was transferred to 2,00,853 beneficiaries under the Pradhan Mantri Awas Yojana-Urban as the first, second and third instalments. An amount of Rs. 2,409 crore was transferred to 3,42,322 beneficiaries under PM Awas Yojana-Urban. Notably, 16,82,196 houses have been sanctioned under this scheme. Out of these 10,40,814 houses are under construction while construction of 6,46,560 houses has been completed. In December 2020, the first instalment of Rs. 87 crore was transferred in view of the total expenditure of Rs 260.65 crore for construction of houses for beneficiaries under the Mukhya Mantri Awas Yojana-Rural.
